CHICAGO, Feb. 15-(A)-That ole Debbil inflation rested quietly for most of the session on the board of trade today, but toward the close he rose up and provoked a sharp rally in feed grains.

Once the inflationary psychology took hold, a lethargic market jumped to life. Corn and oats advanced to new highs since 1948. Old crop wheat deliveries recovered early losses and ended higher. Rye made new seasonal peaks. All soybeans except November closed

Wheat finished 1/4 lower to 1/8 higher, corn unchanged to 13/4 higher, oats 1/8-11/8 higher, rye 1 to 2% higher, soybeans unchanged to 11/2 higher and lard unchanged to 8 cents a hundred pounds

Stock Prices Retreat Again

NEW YORK, Feb. 15-(AP)-Stock prices retreated for the third

NEW YORK, Feb. 15—(AP)—Stock prices retreated for the third straight session today in the slowest trading in three months.

It was the first time since the Chinese reds joined the Korean fighting last November that the market slid three days in a row.

Losses were not large, ranging from a few cents to around \$1.50 a share. Gaining stocks, which were liberally distributed throughout the list, moved over a similar range.

The fact that the volume of trading slid to 1,700,000 shares—lowest for a full session since 1,-620,000 shares changed hands last November 15—was sufficient indication that selling pressure at most was light. Wednesday's total

dication that selling pressure at was 2,060,000 shares. It was not a one-sided market.

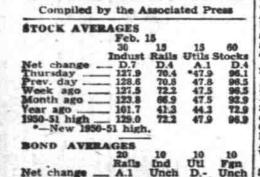

Of the 1,161 separate issues that figured in the day's operations, 393 were higher and 511 declined. There were 47 stocks at new 1950-51 highs, with no new lows.

The Associated Press average of 60 stocks dropped 40 cents at \$96.10. The industrial segment of the index was off 70 cents, rails down 40 cents and utilities up a
