Grain Rises

CHICAGO, Feb. 16-(P)-A rush to get hold of some cash corn provided the background for another advance in grain futures on the board of trade today.

Wheat figures closed 1/6-11/6 higher, oats 1/4 leys higher, oats 1/4 higher, soybeans unchanged to 11/4 higher and lard 18 to 27 cents a hundred pounds higher.

Both new crop wheat and oats deliveries developed quite a bit of weakness toward the close, however. These wheat deliveries finished about a cent under their earlier highs.
