A gang of rebound conscious Linfield Wildcats handed the Willamette Bearcats their first home defeat in Northwest Conference play this season, 71 to 65, last night in the Willamette gym. The win boosted the Wildcats into a first place tie with Willamette in the final league standings. Both teams ended with 10-5 records in

N. W. play. . The game was in doubt right up lamette led at halftime 39 to 36.

Midway through the second half, Mill City 42-32 for third place in with the Bearcats leading 52 to 47, the Linfields went on an eight point scoring spree which netted them a permanent lead, much to the delight of about half of the near capacity audience. Ole Johnson started the Wildcats on their way with a field goal and a free throw, and then little Ad Rutschman tied the count on a fast break bucket. The first half was a scoring duel between Loder and McKee, with the Bearcat coming out on top, 17 to 12, by virtue of a pair of goals in the final two minutes. Loder scored eight buckets in 16 attempts in his torrid first half, but was unable to maintain the pace in the second period. However, he was the high point man for the game with 23 points. The 10th State Bowling tourney will wind up its long 1951 stand a blaze of action this weekend at University Alleys as a host of 11th hour rollers take cracks at the leaders who have emerged in the

As the big tourney goes into its climatic stages Salem rollers hold leads in four categories. The local Cline and Johnston crew is the pacesetter in the Class B division, Clarence Donahue of Salem leads in the Class B singles department and Ben Larsen enjoys the top niche in two brackets-the Class C singles and all-events.

The local keglers' title hopes still must run the gauntlet of lastditch assaults today and Sunday. Cline and Johnston's 2713 score stands as the high team effort in any division in the meet thus far. UW Five Nabs 53-44 Victory

Washington Hoopers Zoom Title Chances

By Jack Hewins
SEATTLE, March 2 -(P)- The
University of Washington's titlehopeful Huskies ran a six-minute
scoring fever of 15 points in the
second half tonight and turned a
close basketball game into a 53-44
triumph over the Cougars of
Washington State college Washington State college.

Coupled with Oregon State's up-set victory over Oregon at Corval-lis, the decision here put Washington a full game in front in the hectic northern division Pacific Coast conference race with only one game left to play. Twelve thousand fans-biggest

crowd of the season - saw the fracas here.

After leading, 29-25 at the close of a tight first half, Washington maneuvered the count to 32-29 and then went on its tally rampage. Most of the 16 counters came on fast breaks as the Huskies plucked off rebounds from futile Cougar shots. The Staters made only on bucket during the Husky hurricane, and the count reached 48-31 before W.S.C. picked up the tempo.

From there on, Washington elected to play a staling, ball-control game. In fact, the Huskies seemed to be saving themselves for tomorrow night's finale and possible playoff arguments with the southern division winner.

The Cougar cause was staggered when Center George Rosser left the game on personal fouls three minutes after the start of the second half. With him went much of State's backboard strength which had been one too potent up to that point. Washington out-rebounded the Cougars, 23-9 in the first half. The scrappy Cougars who whip-

ped Washington twice in an earlier series at Pullman, tied the score twice and led at 14-13 and 16-15 during the first half. Big Bob Houbregs began hitting his hook shots late in the half and ies were in the lead to stay.
