Red Cross to Start Second Week of Drive

Marion county's Red Cross fund drive will enter its second week today and nearly all of its divisions are well on the way toward their respective goals.

A late report Friday showed that the women's residential district had collected 10 per cent of its \$7,100 quota; professional division, 15 per cent; governmental, 25 per cent, and educational, 30 per cent.

These gains were made despite the snowy weather of last week, which saw residential women collectors soliciting while dressed in sweaters, slacks and overshoes.

"It is going to be a real job to realize our county quota of \$48,985, but at the rate workers are canvassing their districts we feel confident we are going to make the goal," commented Robert L. Elfstrom, general chairman of the county campaign.

Elfstrom urged every division chairman and all campaign workers to turn out for the progress report luncheon Monday noon at the Marion hotel. An unofficial week-end report showed the total goal about 20 per cent subscribed.

Three schools have already subscribed 100 per cent, according to Connell Ward and Arthur Myers co-chairmen of the education division, which is working toward a \$1,300 goal. The schools are Bush, Pringle and Swegle.

Walter Kime, 45, Succumbs At Tillamook

Walter G. Kime, 45, former Salem resident, died Sunday at Tillamook following a heart attack.

A native of North Dakota, Kime grew up in the Rosedale district south of Salem. He was employed for several years by the Salem Navigation company and later engaged in farming in the Zena district.

For the past four years he was employed as a mechanic in Tillamook.

He is survived by his widow, the former Dorothy Shepard; daughter, Norma and Linda Kime, and son, David Kime, all of Tillamook.

Dr. Eckhardt To Address Dinner Club

Dr. Tibor Eckhardt, who is considered public enemy number one by Hungarian communists, will address members of the Salem Knife and Fork club Tuesday night, March 20, at Crystal Gardens hall.

Condemned to death by his nazis in Germany because of his bitter opposition to the totalitarian form of government, Dr. Eckhardt came to America at the request of the late President Franklin D. Roosevelt.

He has been lecturing ever since. He will speak here as part of the winter lecture series of the Knife and Fork club, according to President W. C. Leth.

Dr. Eckhardt started his active career in 1918 in Hungary after the collapse of the old Austro-Hungarian empire. When the Bela Kun communist regime came into power the following year, he engaged in active resistance with a police force which later became the skeleton of Hungary's national army.

He served in the Hungarian parliament in 1922 and later went into opposition. He speaks from knowledge of the ways of communists. His topic will be "America—Last Hope of the World."

and by seven sisters, including Mrs. Flora Brownlee, Mrs. Myrtle Cloyd and Mrs. Ruth Beier, all of Salem, and three brothers, including Herbert Kime of Salem. Funeral services will be held Wednesday at 11 a. m. at the Clough-Barrick chapel with the Rev. Enoch Zimmerman officiating. Interment will be at Zena cemetery.

Ell N. Chatfield, 87, Ex-Mill Worker, Dies

Ell Nathan Chatfield, 2870 Brooks ave., died Sunday following a short illness. He was 87.

Chatfield had lived in the Willamette valley for 65 years and was a lumber mill sawyer for many years. He lived at Mill City before moving to Salem 31 years ago. His wife, Rhoda Ann, died nine years ago.

Surviving are five children, Mrs. George Knerim, Salem, Mrs. George Hughes, Albany, Mrs. Rita Williston, Portland, Edward Chatfield, Elk City, and Allen Chatfield, Toledo; two brothers, Steve and Jay Chatfield, Birmingham, Mich.; eight grandchildren and seven great-grandchildren.

Services will be announced later by Howell-Edwards chapel.

Rose Society to Meet Thursday

Salem Rose society has scheduled a meeting for Thursday at 8 p.m. at the YMCA. Dr. Kenneth Waters will preside at a short business meeting.

The program is to be on general care of roses, winter damage and how to prune. Knight Pearcey will be in charge. Two films will be shown by Donl Burres, "Mysteries of Plant Life" and "Tuberous Begonias." All persons interested in roses were invited.

"Can't beat Dodge for dependability!"

NEW engineering advancements make traditional Dodge dependability GREATER VALUE THAN EVER

THE DODGE reputation for dependability and long car life is a matter of record ... a record of thirty-seven years ... a record no other car can match. And with the many new advancements engineered into the great '51 Dodge, this famous dependability makes Dodge an even bigger value, an even bigger dollar buy for the years ahead.

For example, the new Oriflow Shock Absorber system smooths out the bumpiest roads to give you a level, more comfortable ride ... smoothes the jolts ... reduces wear on vital chassis parts. **Cushions moving parts.** Dodge Cyro-Matic, lowest priced automatic transmission, along with Fluid Drive makes handling easier and smoother for you. But equally important, Dodge Fluid Drive cushions the power thrusts from engine to rear wheels. Starts and stops are soft and smooth. Your car and tires last longer ... your dollars go further.

Yes, everything about this great new Dodge—the way it looks, rides and handles—tells you that here's a car built to deliver years and miles of dependable, low-cost service. **5 minutes tells why.** Give us just five minutes. Let us show you how you could pay up to \$1,000 more for a car and still not get all the extra room, handling ease and rugged dependability of this great new 1951 Dodge.

DEFIES ALL WEATHER! Water-tight, dust-tight sealing keeps you snug and dry ... the engine purring. Body is insulated against heat in the summer ... cold in the winter.

NEW INTERIOR LUXURY, ROOMINESS! Plenty of head, leg and shoulder room. "Watchtower" visibility. Wide selection of fine upholstery in new "decorator-styled" interiors.

NEW ORIFLOW SHOCK ABSORBERS! With twice the shock absorbing capacity, you "float" over roads that stop other cars. Wheels stay on ground for smoother, safer ride.
