The home of Mr. and Mrs. Samuel R. Kelso on North 13th street was the setting for a pretty wedding on Saturday night when their daughter, Miss Joanne Mae Kelso, became the bride of Merle Eugene Mattson of Tioga, North Dakota.

For her marriage the bride chose a white satin gown fashioned in train with marquisette yoke on the bodice edged with lace. Her fingertip veil cascaded from a satin headress outlined in seed pearls. She carried an old fashioned bouquet of white roses and hyacinth encircled with white net.

Mrs. Ray Skeiton the honor matron wore an orchid taffeta frock with net overskirt and carried a colonial bouquet of yellow roses and hyacinth. Cleve Odgaard of Tioga, North Dakota, stood with the groom as best man.

A reception followed the nuptials. Miss Audrey Christman poured and Mrs. F. L. Calvert cut the cake. Assisting were Mrs. Harry C. Nelson, sister of the groom, Mrs. Stanley Kelso and Mrs. Gerald Kelso, sisters-in-law of the bride. Miss Dianne Nelson passed the guest book.

To women who are watching helplessly as their skins dry up and grow old

A new greaseless flowing beauty formula that literally brings dewy moisture to aging or drying-up skin.

How often have you hopefully applied night cream only to have your dreams of a dewy, youthful skin shattered by a rude awakening, your face still covered with grease. Now you can stop "buttering" your face. For here is an entirely new concept in beauty—**nothing ever known**—anything you have ever used.

What Makes Skin Grow Old?
You have seen fruit grow old in a bin. You have seen your courage dry up while you wore it. And you know what causes this—**DEHYDRATION**. That's what so often happens to your skin, too—**DEHYDRATION**—and sensitive skin dehydrates sooner.

Jacqueline Cochran Was Determined to Find a Flowing Formula
Impatient with all greasy creams, Jacqueline Cochran, top-flight beauty authority, was determined to find a formula that would give the skin the balanced moisture that it requires. She and her chemists worked indefatigably and through a stroke of genius **FLOWING VELVET** was created.

For FLOWING VELVET is a three-way flowing formula with three-way action. This unique combination of rich cream, lotion and facial oil, containing a new moisture-giving ingredient, hydro-lin, acts on your skin in these three ways:

It furnishes moisture that actually sinks into your skin. It supplies necessary oils for essential lubrication.

It maintains the normal balance of oils and moisture.

Only **FLOWING VELVET** can do this. **FLOWING VELVET** contains this new scientific, moisture-giving ingredient, hydro-lin, which is owned and controlled by Jacqueline Cochran, and this ingredient is the secret of the dewy moisture that flows into the skin—and stays there!

Beauty Oversight . . . Beauty All the Day

FLOWING VELVET knows no time limits. Use this flowing fluid cream at night. It disappears instantly into the skin, leaving not a trace of grease on your face, on your pillow, on your husband. Use **FLOWING VELVET** by day. It sinks at once below the surface, with only a cool, moist look to show it was ever there—but oh, the beauty of that dewy, careful look! And over it goes your foundation and make-up, while **FLOWING VELVET** works its magic all the day!

Contains No Hormones!
A little **FLOWING VELVET**—just a few drops—is all that is required because its ingredients are so rich, so concentrated. But you can use all you want, with complete confidence in its safety. You can wear it all day, every day—all night, every night. For **FLOWING VELVET** supplies the special moisture and oils your skin needs, safely and naturally. And it contains no hormones.

"If I could afford just one beauty preparation . . ."
That's the way one of the letters started out of the thousands of letters Miss Cochran had received since she introduced **FLOWING VELVET**. "If I could afford just one beauty preparation, it would be **FLOWING VELVET**. For what else could possibly take its place?"

The Glory of EASTER

REJOICE! For He is risen! Harken to His teachings and receive strength and hope that the turmoil of the present may soon resolve into a future of brotherhood among all men. Let His teachings also inspire thanks for freedom. A freedom that allows attendance at the Church of our Choice . . . and enables us to establish our families and homes with a knowledge that we can strive to give them all they may need or desire. Then on our departure from the holiday service—greet family and friends with joyous hearts and smiling faces—for with the celebration of His resurrection we have received a message of inspiration for all—regardless of race or creed.
