SANDWICH GRILL CARE
If you've used your sandwich grill for toasted sandwiches or anything else that doesn't stain, just wipe the grids off with a paper towel or a damp cloth while they are still slightly warm. If the grids become stained, wash in hot soapy water and rinse thoroughly — and remember to season again before using. Clean the grids as soon as possible after using them; use a mild scouring cleanser, if necessary.

Saturday Pudding Uses Buttermilk

In the old days, buttermilk and sour milk were used frequently, but in these days of modern methods and storage, we have to go out and hunt for them. Buttermilk or sour milk are used in this pudding:

SAURMILK PUDDING
2½ cups flour
1½ teaspoons soda
¼ teaspoon salt
¾ cup butter, softened
¾ cup molasses
1 cup sour milk or buttermilk
¾ cup raisins
Sift dry ingredients together three times. Combine butter, molasses, and milk. Add raisins. Add dry ingredients, beat well. Pour into one or two buttered molds. Steam 2 to 3 hours. Serve with whipped cream. Serves 10.

FOR OYSTER FLAVOR
Some people like oyster stew with a particularly "oyster-y" flavor. To get this pronounced flavor, cover the saucepan of stew when it's ready to serve, and keep it on a low heat for 5-10 minutes. Just be sure it does not boil.
