Linksmen Eye Many Prizes

Yost Not to Defend Title in Fifth Tourney

The Salem Elks club sponsored Mid-Willamette Valley Open golf tournament, annually the hottest pitch and putt conclave to be held at Salem Golf club, gets under way for the fifth time this weekend when participants commence qualifying rounds.

The 18-hole qualifying period has been dated for April 21-29, inclusive, after which the Elks committee of Oscar Specht and Vern McMullen, along with Excalted Ruler Hal Randall, will divide the eligibles into the various flights.

Dick Yost, blond links bomber from Oregon State college who has won the last two straight tournament titles, will not defend his laurels this year. The press of school studies and the numerous matches Yost will appear in for the Beaver team will prevent his participating in the local classic.

However, when the qualifying list is completed, there likely will be a goodly number of title seekers who can and do give par figures a battle every time they take to the links. Thirty-two men will make up the championship flight when formed.

As usual Elks lodge No. 336 has arranged for a sizeable load of valuable prizes for those who will emerge with the various wins in the tournament. Expected to go after these prizes will be upwards of 200 golfers.

In announcing the qualifying dates the tourney officials stated, "We want this to be the biggest Elks tourney in history. It's open to all amateur golfers whether they are members of the Elks lodges or not, and regardless of whether they can shoot a 70 or a 170 in 18 holes of play. There is room for all."

Leslie Downs W-Salem, 14-4

Leslie junior high's baseballers racked up their second win of the campaign Friday as they whipped the West Salem Giants, 14-4 behind the three-hit hurling of Page. Leslie banged 11 hits off Anderson and Barrett, scoring six runs in both the first and third innings.

West Salem made nine errors during the fray. 616 10-14 11 0

Linfield Tops Bearcats; Chandler Said Near Exit

Willamette Loses Loop Tilt, 9-1

A big freshman named Stan Blank was stingy with the hits Friday as he hurled the Linfield Wildcats to a 9-1 victory over Willamette University's Bearcats in a Northwest conference clash at McCulloch field. Blank gave up only five hits, one of them a homer by Dick Brouwer, while the McMinnville crew was banging 14 off Mike Glenn and Claude Nordhill.

The Wildcats clouted four runs off Glenn in the second inning via a double and three singles, punched over two more in the second, one of them being a circuit blow by Martyn, and finished their scoring with three more in the fifth frame.

The fifth-frame Linfield surge routed Glenn and Lefty Claude Nordhill took over. Nordhill blanked the visitors the rest of the way.

Brouwer socked his homer in the fifth with the bags empty. The contest opened the conference campaign for the Bearcats. The two teams clash again at McMinnville on Tuesday.

Keene Tosses Out First Ball, Beans OSC Prexy

CORVALLIS, April 20 (AP)—Roy "Spec" Keene, Oregon State college athletic director, tossed out the first baseball at opening day ceremonies here today—and promptly beaned the college president.

President A. L. Strand, who was at the plate, at once insisted that he try that again.

Keene pitched, and Strand whacked the ball to the outfield.

35 Racers Due In Salem Meet

A huge field of 35 hard top racers, largest in history for Salem auto racing, will usher in the 1951 speed season Sunday afternoon at Hollywood bowl. Inasmuch as so many cars and drivers have entered the inaugural, which should make for fierce competition, the time trials will get started at 1 p. m. First regular race, the 3-lap trophy dash, is scheduled for 2:30.

Many of the popular drivers who appeared here last season will be among the cash prize seekers Sunday as the Valley Sports sponsors get the season underway. The state racing war of last year that minimized the number of cars and drivers for certain meets is now over and the erstwhile enemy factions are now racing against one another on the same grounds.

Sunday's opener will be climaxed by a 20-lap Class B main event and a 35-lap Class A mainer.

One Last Scrap Confronts Happy

CINCINNATI, April 20 (AP)—A. B. (Happy) Chandler today heard what may be his last dispute as commissioner of baseball.

It revolved around radio broadcasts of Detroit Tiger games into what four clubs of the Central league claim is their territory.

They want \$40,000 of broadcast money for the season, or they want the practice stopped.

It is understood here the clubs—Grand Rapids, Muskegon, Flint and Saginaw—would divide the money.

After hearing the arguments, Chandler took the matter under advisement.

Reports are current that he will resign within a few days—perhaps to become a candidate for the democratic nomination for governor of Kentucky. His contract, at \$65,000 a year, still has a year to run.

MAC'S SON TO SEE GAME
NEW YORK, April 20 (AP)—Arthur MacArthur, 13-year-old son of the General, will see his first major league baseball game tomorrow. He will attend the New York Giants-Brooklyn Dodger game at the Polo grounds. Mrs. MacArthur also will attend.

Medford Favored But Salem Threat; Cooney Tops Record

Ashland, Pleasant Hill Win; Hayward 'A' Action Set Today

EUGENE, April 20 (AP)—Ashland and Pleasant Hill raced off with the class B and C championships again today in the 14th annual Hayward relay.

That set the stage for Medford, always the favorite, to repeat for the class A crown tomorrow. Among the principal threats to Medford are Salem's hetero-headed Vikings.

Both Ashland and Pleasant Hill won last year and had little trouble retaining their crowns.

Ashland scored 38 points to 30½ for Cottage Grove, the runner-up in class B. Trivette was next with 27, and University of Eugene fourth with 26.

In class C Pleasant Hill amassed 38½ points, followed by Gold Hill with 22 and Creswell with 21½.

Four records were established in class B, two by Ashland.

There were three new marks in class C, two of them by Pleasant Hill.

Jerry Langer of Ashland threw the discus 149 feet 6 inches to break the class B record of 146 feet 9 inches set six years ago by Bob Anderson of Seaside.

Jim Cooney of Salem's Sacred Heart hurled the javelin 165 feet 4 inches for another new class B mark, besting the 159 feet 2 inches reached by Jerry Mitchell of Ashland in 1947.

North Bend's shot put relay team of Bill Chook, Tom Patterson and Harold Reye set a new class B record with a combined toss of 129 feet 11½ inches. The previous record of 128 feet 6 inches was set by Junction City in 1944. Ashland's team of Langer, Dick Smith and Ben Powers bettered the old

mark in the same event with a toss of 129 feet 5½ inches in winning second.

The other new class B record was in the shuttle hurdles, a new event, set by Bob Kinsey, Ron Whitecliff and Jim Lacey of Oakridge with a time of 37.4.

Pleasant Hill's distance medley team of Lon Larrison, Keith Kadabaugh, Delano Cummings and Charlie Schneider set a class C record of 12:02.7 to best the 12:06.5 established by Jefferson last year. The other Pleasant Hill record was set by the spring medley team of Bob Fricker, Noel Bergman, Elmer Matthews and Paul Smith. Their time was 1:42.7. Pleasant Hill and Banks held jointly the old record of 1:44.1.

Dean Van Leven, Bandon, heaved the shot 45 feet 10½ inches for the third new class

C record. The old mark of 45 feet 3½ inches was set in 1948 by Carlton Anbin, Mohawk.

In class B, the teams scored in this order behind the first four:

North Bend and Oakridge 26, Coquille 17½, Estacada 15½, Sacred Heart 11, Malilla and Crescent City 6, Illinois Valley 5½, Tillamook and Dallas 4, Stayton 3½, Redmond 1, Elmira, North Marion, Sweet Home, Taft, Willamette and Woodburn failed to score.

Class C teams finished in this order behind the top three:

Triangle Lake 18; Banks, Gervais and Henley 12; Bandon 10; Monroe 3; Lowell 2; Canyonville, Chemawa, McKenzie and Sheild ½; Coburg, Harrisburg, Mapleton and Pilot Rock failed to score.
