### On Etiquette

**By Roberta Lee**

Q. If a young woman is traveling alone on a train and meets a strange man who offers to pay for her meal, should she consent?

A. It is better for her to decline this offer. However, there is nothing wrong with their dining together at the same table if she is favorably impressed with him.

Q. When there is a punch bowl at a party or dance, and a girl and her escort approach, which one should fill the glasses?

A. The man should fill a glass for the girl, then one for himself.

Q. What is the most popular boutonniere for ushers at a church wedding?

A. The white carnation is probably the most popular.

lend the show Saturday night. At Tuesday's night performance were Mr. and Mrs. Glen Fravel, Misses Ruby and Opal Friesen. . . .
