#### Your Assurance

It is generally recognized that the long-established rituals and the appropriate ceremonials of a funeral service should be under the guidance of a thoroughly-qualified organization chosen in advance. You should base your decision on three major points:

> 1. Is the executive a man of high standing in your community?

2. Has he a complete establishment including competent, fully-trained and experienced people in all departments and has he all necessary equipment? 3. Are all funeral prices plainly marked?

Choose a National Selected Mortician and you may be sure of personnel and service which meet the above conditions.
