

Mac Brings Issues Of Debate Into Focus

By Don Whitehead

WASHINGTON, May 5—(AP)—General of the Army Douglas MacArthur has laid before the American people the clear-cut choice of following the Truman administration—or following General MacArthur.

In essence, this is the great issue that has emerged—sharp and clear in outline—from the general's three days of testimony before senators who are looking into the reasons for his ouster by President Truman.

Both MacArthur and the administration are planning to carry the fight to the national for a final decision.

President Truman has asked the people not to make up their minds until all facts are known. And MacArthur has disclosed through an aide that he is planning to carry on the fight through a series of speeches probably starting with an address to a joint session of the Texas legislature.

The choices are:
(1) Accept the MacArthur plan to beat red China into surrender by bombing, a naval blockade, the use of Chinese nationalist troops, and the use of a few more American ground troops in Korea.
"The risk of Russia coming into the war must be taken," MacArthur says.

He warned that communism already has begun an armed attack on the free world and "if you don't meet it in Korea you're doomed to destruction." He argued a victory in Korea is the best way to forestall a surprise atomic attack on this country—and that communism must be opposed all over the world wherever it is.

(2) Accept the administration plan to limit the war to Korea, on the theory that allied forces eventually will make the war so costly the Chinese will be forced to sue for peace. The administration does not want to take the risk of drawing Russia into the conflict. There it is. All the other arguments pale into fuzzy outline when placed against this basic disagreement on the best way to win a war.

Truman Names Civil Defense Advisory Board

WASHINGTON, May 5—(AP)—President Truman today appointed a 12-member civil defense advisory council to consult periodically with the federal civil defense administration on general policy.

Three governors and three mayors are included in the group. The members will be paid not more than \$50 a day when they are carrying out the civil defense work. The following were appointed for one year terms: Governors Frederick G. Payne of Maine; Frank J. Lausche of Ohio; and Luther W. Youngdahl of Minnesota; and Mayor Martin H. Kennelly of Chicago.

For two year terms: Mayor William F. Devin of Seattle; Mayor David L. Lawrence of Pittsburgh; Dr. Lillian M. Gilbreth, industrial engineer of Mont Clair, New Jersey; Robert L. Smith, publisher, Los Angeles Daily News.

OSC Mother's Club Elects Mrs. Jones

CORVALLIS, May 5—(AP)—Mrs. Darrell Jones, Salem, was named secretary of the Oregon State Mothers' club here today at the annual Mothers' Weekend program.

Mrs. Oscar Paulson, Salem, retiring president, handed the gavel to Mrs. Dale Miller, Portland, who was elected today. Mrs. Victor Carlson, Lebanon, is the new vice president. Mrs. Gerald Richards is the district representative for Salem.

Chamber to Hear Cannery Official

The value of the canning industry to the Salem area will be discussed at the Salem Chamber of Commerce meeting Monday noon at the Senator hotel by Cecil R. Tulley, executive vice president of the Northwest Cannery association.

Tulley is a former agriculture agent and marketing specialist with the federal department of agriculture. He joined the cannery's staff in January, 1947.

Teeter-Totter Record Set

PULLMAN, Wash., May 5—(AP)—A 49 hour and 10 minute teeter-totter record was set here tonight by two students enrolled at Washington State college.

Danny Dawson and Ted Reh-wald, two Tau Kappa Epsilon fraternity brothers, began the contest Thursday evening at 8 p.m. and since that time have been going up and down in the garage of the WSC police department where they were refereed continually by fraternity brothers.

Fisherman's Body Found

REEDSPORT, May 5—(AP)—A fisherman's body was found washed ashore on Tideways island, about a mile north of here last night.

The victim was Earl F. Gossett, about 28, Winchester Bay, drowned Wednesday in the Umpqua river while attempting to get a fishing boat ashore.

Alton Elwood, Reedspport, said he and Gossett were fishing and beached the boat on a sand island in the river. It floated away and Gossett swam after it. His attempt to start the motor failed and he started to swim back, wearing a cork life preserver.

His body was carried past the island by the current, Elwood said. Gossett's body was found by Archie Stevenson, another fisherman.

School Equipment Displayed at Bush

Visual instruction equipment was one of many items on view at Bush school's annual open house recently. Similar teaching materials and student work were on exhibit in some 20 classrooms. Above are, from left, Anne Morrison, Delores Winters and Joan Roberg, all presidents of different sixth grade classes; Lorea Obirst, Suzanne Jochimsen and Beverly Stein, fifth grade presidents, and Max Moore-head, Carol Wood, and Linda Lewis, fourth grade presidents. Wheatland Area Gives \$800 to Homeless Family

WHEATLAND, May 5—Wheatland-area residents tonight contributed about \$800 in cash and goods at a benefit for the burned-out Ted Hensley family.

The Hensley home on the La-Follette ranch here went up in flames Monday. Seven years ago an Oklahoma tornado left them homeless.

More than 100 people turned out tonight for the benefit. They brought furniture, household furnishings, clothing, canned goods and \$300 cash.

Mrs. Luella LaFollette sponsored the benefit. A new dwelling for the Hensley family will be built at the LaFollette ranch.

Federal Meat Grading to Start In State Monday

PORTLAND, May 5—(AP)—Federal meat grading will start in Oregon Monday.

G. A. Stearns, office of price stabilization meat supervisor, said the inspection was in preparation for ceiling prices to be imposed Wednesday. The prices will be based on grade and yield, he said. Graders will be stationed at Sa-

lenn, Eugene, Portland, Baker and Klamath Falls, he said. Packers will pay the grading cost.

The bark beetles that carry Dutch elm disease are immune to DDT.

Neon-Lighted Arab Splendor to Mark Farouk Wedding Festival

CAIRO, Egypt, May 5—(AP)—Cairo glittered with multi-colored neon lights tonight in a preview of the Arabian splendor that will mark the three-day marriage festival of King Farouk and his Egyptian bride.

The 31-year-old monarch and commoner, Narriman Sadek, 17, will be married at Keubbeh Palace at 11 a.m., Sunday on the 15th jubilee of Farouk's reign.

Fine wedding gifts — many of solid gold encrusted with diamonds—were being spread at the palace. Foreign chiefs of state and potentates, diplomats and parliaments, religious patriarchs and even the Jewish communities of Cairo and Alexandria vied in the richness of their gifts. President Truman was reported sending four Steuben vases on behalf of the United States.

Household staffs at Kubbeh and Abdin palaces were feverishly at work preparing sumptuous feasts and gala parties.

More than 5,000 are expected to attend a reception to be given at Keubbeh Palace Sunday night by Premier Mustapha Nahas Pasha. A similar sized diplomatic reception will be the windup party Tuesday night.

True to Moslem tradition, the bride will not be present at the marriage ceremony. She will remain at her home in suburban Heliopolis with her widowed

mother when the marriage contract is signed. Mohamed Aly Sadek Bey, Egyptian minister to The Hague and paternal uncle of the bride, will represent her.

Larry Moore Gets State Jaycee Post

PORTLAND, May 5—(AP)—Larry Moore, Salem, was elected district vice president of the State Junior Chamber of Commerce at the group's convention here today. Delegates elected John L. Luvaas, Eugene, president; Donald Forbes, Roseburg, and Leo Chaffin, Portland, national directors.

Multiple Crash Hurts 3 Persons

Three persons were cut and bruised Saturday when three Portland cars stacked up bumper-to-bumper in the 900 block of North Capitol street. Police said Roger A. Murch, Portland, who incurred a forehead cut, was charged with following too close. Also treated for injuries were Anna Hollister, 77, and Peter Ditmars, 15, both of Portland.

The difference goes more than Skin-Deep

NOBODY wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly

aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches

shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasurably from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

*Equipment, accessories, trim and models are subject to change without notice.

"Smart Buy's Buick"

Smart Buy's Buick

No other car provides all this:

DYNAFLO DRIVE* • FIREBALL POWER • 4-WHEEL COIL SPRINGING • DUAL VENTILATION • PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE • WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING • BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Buicks. WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM
