

# Preservation of Three Great Resources Urged by Lipscomb

(Story also on page 1)  
Three great resources which will stay with us if we use them properly are soil and the products therefrom, water, which will give us power, and the wild life of field and stream. Lt. Col. T. H. Lipscomb, told caravaners of the Willamette Valley Basin Tuesday as he talked at the Detroit dam location and again at the dinner at Marion hotel Tuesday night with the Salem Chamber of Commerce as hosts.

# Eagles Lodge To Resume Civic Award

The Salem Eagles lodge will resume its civic award program this year, members were told Tuesday night at a benefit dinner for the lodge drill team. A capacity crowd attended.  
A spokesman said the awards would go to outstanding citizens of Salem and vicinity.  
Webb Loy, Bend, past president of Oregon grand aerie, told members that youth guidance work had been the major activity of the Eagles lodge in Oregon during the past year. Many other lodge notables attended including C. M. Bennett, McMinnville, grand aerie secretary.  
Charles Gruver was reappointed as the lodge's representative on the Marion county polo chapter.

# Underhill Rites Set Thursday

Services for Mrs. Caroline Underhill, 83, longtime Salem resident, will be held at 1:30 p.m. Thursday at the W. T. Ringdon chapel.  
Mrs. Underhill died Monday at the Methodist Old People's home where she had lived for three years. She was one of the original directors of the home and served on the board for many years.  
Born Sept. 27, 1867, at Marion, Ind., deceased moved to Oregon in 1898 and was married to A. A. Underhill in 1910. She was widowed in 1938.  
Surviving are two brothers, Charles A. Littler, Forest Grove, and J. B. Littler, Oakland, Calif.

# California Arrest Clears Burglaries

Burglaries at two Salem homes were declared cleared by city police Tuesday.  
Police said LeRoy Marion Shipley, a transient, had admitted the Salem break-ins to California authorities following his arrest at Millbrae.  
A billfold stolen in one of the Salem burglaries was found in Shipley's possession, according to police, who said the break-ins were at the homes of Ida A. Newton, 368 N. 13th st., and J. S. Chisholm, 985 N. Summer st. Both occurred in March. Shipley has been sentenced to San Quentin prison on a California burglary charge.

# Maison Pins Citations on Guardsmen

FORT LEWIS, June 12-(AP)—An officer from Salem, Ore. pinned medals for outstanding performance in combat on two Oregon World War II veterans today.  
Brigadier General Harold G. Maison placed the silver star and bronze star medals on Second Lt. David L. Nudo, 6028 S.E. Knight street, Portland, and the knight star on Second Lt. Roy L. Hudson, Medford.  
Nudo, a national guardsman attached to headquarters of the 186th regiment of the 41st division, was cited for leading an attack in Germany in 1945. Both he and Hudson, who is with company A of the same regiment, were cited for exemplary performance in ground combat.  
The awards were made at a special regimental parade ceremony. The 41st is in summer training at Fort Lewis.

# Funeral Set Friday for Ben Fletcher

Services for E. B. (Ben) Fletcher, 87, mid-valley school teacher for 50 years, will be held at 1:30 p. m. Friday at Clough-Barrick chapel. Fletcher died Monday at Portland.  
He was a charter member of the North Howell grange and the grange hall was built on ground donated by his father. Fletcher also was a member of North Howell Methodist church and was baptized in the Pudding river 73 years ago. He also was a member of the Silverton Masonic lodge.  
Graduated from Willamette university normal school in 1893, Fletcher taught in this area until 1934. Born of pioneer parents, he was the last survivor of a wagon train that came to Oregon from Illinois in 1864. Three children survive at Portland.

# School Bond Issue Sold; Houses Bought

A \$1,000,000 Salem school bond issue was sold to a syndicate headed by U. S. National bank of Portland Tuesday night.  
Public school directors awarded the bond issue on a low interest rate bid which was, in effect, 2.27 per cent. Three other syndicates submitted bids. The bonds will be retired over a 20-year period.  
The bond sale was authorized last year for funds for the public school building program.  
In other business directors reported that seven houses needed to round out a building site for a proposed south Salem high school have been acquired. Negotiations for five other dwellings are in progress. The site is adjacent to Leslie junior high school.  
A \$600,000 increase in fire insurance coverage was authorized to cover new school construction during the past six months.  
Resignations were accepted from Donald Dawson, Parrish industrial arts instructor, Charleen E. Kirchem, Grant third-grade teacher, and Hal E. Peterson, senior high assistant coach and instructor.  
Three new teachers were named to the Parrish junior high faculty. They are Helen Holdery, mathematics; Adrian Dee Green, industrial arts; and Fred W. Rugh, science. Rugh comes from the Mill City school system.  
Mrs. Emily B. Singleton, Mrs. Zoila Schwiesow and Mrs. Florence Fordard were appointed to teach in elementary schools as assigned substitutes. Mrs. Ellen Foster was granted a second year's leave of absence.

# Fish Choose Dry Land of Coast Beach

YACHTS, Ore., June 12-(AP)—As if in spring madness, schools of ocean fish threw themselves ashore over the weekend, and today a belt of fish, three feet wide and eight miles long, darkened the beach south of here.  
Gene Haydu, a fish expert from the Oregon State college fish laboratory at Newport, identified them as hake, a type of codfish.  
Haydu said at first he thought the fish might have been swept ashore by accident. He began tossing them back to the water. They promptly leaped ashore again, he said.  
The fish, averaging about 18 inches in length, lined the beach from Heecta Head to Yachats.  
Whether their numbers were exhausted was not determined, but the fish no longer were leaping ashore today.

# Atomic Plant Workers Go Out on Strike

PADUCAH, Ky., June 12-(AP)—The walkout at the Paducah atomic plant continued to grow today and this afternoon 2,900 construction workers on the \$500,000,000 uranium separation project were idle.  
Workmen started leaving the huge construction job Monday. First to quit were about 1,000 members of truck drivers, electricians and plumbers and steamfitters unions.

# Aly Threatens Photographers

PARIS, June 12-(AP)—Aly Khan is extremely sensitive about having his picture made with woman companions—and has threatened photographers who don't play by his rules.  
The latest occasion was last night at a party given by Elsa Maxwell at the Laurent restaurant. Aly, who is being sued for divorce by Rita Hayworth, arrived in the same car with Actress Joan Fontaine. They entered the restaurant separately to avoid being photographed together.  
Aly also warned a magazine photographer who was inside the restaurant that no pictures should be made of him. Later, newspaper photographers were outside a window seeking a shot of Aly with Miss Fontaine from that distance. Aly spied them and rushed outside. He threatened to "bang heads" if they took a picture.  
Aly was photographed Sunday at the races—in grey top hat and long tail coat—but he was among only male companions. He was very accommodating for photographers, referring to them as "my friends."

# Cemetery Upkeep Studied at Meet

Plans for upkeep of Salem's Odd Fellows cemetery were told to 50 persons who attended a meeting of the Pioneer Cemetery association Tuesday night.  
Fred Lamport was re-elected to the board of trustees. Lamport authorized a bill enacted by the 1951 state legislature which authorized Marion county to assume care of the cemetery. The county has budgeted \$1,000 for cemetery improvements this year.

# Mrs. Sloan to Undergo Surgery at Portland

Mrs. Edna Sloan, Salem route 9, seriously burned in an auto accident last November, was taken to Portland Sanatorium hospital Tuesday to undergo plastic surgery. She has been confined at Salem Memorial hospital for several months.  
Mrs. Sloan maintained a home for underprivileged children at the time of the accident which occurred near her home east of Four Corners.

Can you beat this measure of car value?

Of standard-built cars used as taxicabs, there are far more Plymouths than any other make...in fact, there are more Plymouths than all other makes combined!

Those who own taxicabs are experts on car value. They have to be! Their very living depends on their judgment in selecting the right car.  
This selection is not made on "hunch" or "sentiment" or loyalty to any make. In the cold light of fact, taxicab owners test all makes of cars for everything—roominess, riding comfort, handling ease, braking action, maintenance cost, day-and-night dependability—everything!

As the result of these continuous tests, the overwhelming majority of taxicab owners say: "The car for our money is Plymouth!"  
Isn't this pretty convincing proof that Plymouth is the car for your money, too? But you don't have to take somebody else's word for it. Your Plymouth dealer will gladly arrange a demonstration now. Then you can put the Plymouth through your own tests and see for yourself.

Where value is the yardstick

**Plymouth** is the rule!
