leg.

Mrs. McClanathan sustained a broken leg in a car accident a year ago, following which she spent several months in the hospital. For the past four months she has been up and around. Friday she slipped and fell at her home breaking the same leg again.

Members of the family said Saturday that she was resting well and that the break did not seem to be as severe as formerly. Indications were she might be able to be removed to her home in about three weeks.
