

Mexican Gulf Feels Effects Of Hurricane

NEW ORLEANS, Aug. 20 - (AP) - A tropical hurricane called "Charley" by the weather bureau threatened to recover its power in the lower Gulf of Mexico tonight after plunging across the Yucatan peninsula with 100 mile-an-hour winds.

The same storm killed 109 people four days ago in Jamaica.

The peninsula, 186-miles wide, sticks 200 miles up into the gulf on the Central American gooseneck connecting North and South America.

Merida, capital of the Mexican state of Yucatan, was swept by the 100 mile-an-hour winds but reported no great damage. Residents of Isla Mujeres, a small island on the east side of the peninsula and other points in the storm's path, took to the streets last night in panic as the storm neared.

Nobody was reported hurt in its 250-mile sweep over Yucatan, nor did scattered reports of damage estimate the storm's destruction.

Dewey Sees 'More Peace Offensive'

SEATTLE, Aug. 20 - (AP) - New York's Gov. Thomas E. Dewey, back from a seven-week "non-political" tour of the Orient, said today Russia may wage a two-year peace offensive so it can go on "picking daisies."

The 1944-48 republican presidential candidate told a press conference his "picking daisies" remark referred to long-range Soviet aims for expansion in Burma, Siam and other Asiatic countries.

He said Europe and Asia cannot be considered separately and critical decisions throughout the Far East in the next few months "may decide whether we will live in a free world five years hence."

Dewey said no one nation alone can save the free world.

"It will take a cooperative, unified effort."

The GOP leader asserted his flying trip to the Orient was not political. He described it as a "private, fact-finding expedition."

Dewey arrived by plane from Honolulu and was met at the Seattle-Tacoma International airport by Washington Republican Gov. Arthur B. Langlie. He was to be an overnight guest at the governor's mansion in Olympia, 45 miles south.

The New Yorker is scheduled to leave early tomorrow for a week's tour of Alaska, which he said he regarded as a key to America's defense. He will head homeward from Anchorage, Alaska, August 28.

Dewey declined to answer any questions on his political future. He said his major ambition is to help weld a strong foreign policy that will cement the free nations of the world.

Rolling Truck Smashes Car

Considerable damage to a parked auto was reported by city police when a parked truck rolled backward down a hill on South Commercial street near Owens street, shortly before noon Monday.

Eugene Charles Garrison, Salem route 2 box 358G, was cited to appear in municipal court today on a charge of failure to provide adequate emergency brakes on a motor vehicle.

The auto, owned by Fred M. Shafer, 650 Shipping st., was badly damaged in the left front fender, headlamp, grille and hood, police reported. Neither auto was occupied at the time of the accident.

Salmon Harvest New Style

GATES - Gas masked-attired workers from the Consolidated Builders Inc., are shown removing dead salmon last weekend from the Santiam river near here. The bloated fish, killed when ammonia was dumped into the river ten days ago below Detroit dam by CBI, have drifted down the river as far as Mehama. Residents in the area report the stench from the fish to be carrying about a quarter of a mile. The fish were buried along the banks of the river. (Statesman photo by Charles Kuhlman.)

3 Teen-Agers Hospitalized After Accident

Two teen-age boys were hospitalized Monday night when the motorcycle they were riding went off the road on Wilsonville straightaway, north of Hubbard, state police reported.

Duane Beard, 15, Silverton, was in Silverton hospital last night with a broken arm and badly lacerated face and mouth, and Don Bernier, Canby, driver of the cycle, was in Canby hospital with a broken arm and leg injuries, police said.

Both boys were taken to Canby by a passing motorist, then Beard was brought to Silverton by Canby ambulance, police said.

Widening of Intersections At Stayton Due

Five street intersections in Stayton will be widened at a cost estimated at \$2,000, the state highway commission decided at a Portland meeting Monday.

Half the cost of the work will be paid by the city of Stayton under an agreement.

A contract was tentatively let to Warren Northwest, Inc., for paving about 1/2 mile of highway in Sweet Home. The low bid entered by the firm was \$20,517. The city of Sweet Home must concur in the contract before work can proceed.

Firemen Help Man Get Up

LONG BEACH, Calif., Aug. 20 - (AP) - Because he weighs as much as our ordinary men, it took just that many to put Eugene Atkins, 20, back on his feet after a chair collapsed under him today.

Atkins weighs 682 pounds.

His friends couldn't get him to his feet, so they called the fire department. The firemen managed to maneuver the huge man to the edge of the back porch where he swung his legs over the side and got his feet on the ground.

Atkins, bruised slightly, walked back into the house.

Boy's Ice Cream Capacity Due for Serious Testing

ST. LOUIS, Aug. 20 - (AP) - How much ice cream can a small boy eat in one month?

Given time, seven-year-old Charles Gibson will have an answer to the question.

Charles found a sack containing \$250, which had been dropped by an employee of an ice cream company. For turning it in, Charles will receive all the ice cream he and his family can eat for a month.

Waiting no time, Charles appeared at the main office of the company today and started collecting his reward.

Statesman News Service SILVERTON - Two fires in this area were reported under control tonight after a four-hour battle by fire-fighters.

One fire was in debris at the old Bush Creek flax plant two miles west of Silverton and the other was at the Floyd Fox ranch in the Drift Creek area nine miles southeast of here. No details of damage were available last night.

Old Interstate Bridge Ruled 'Satisfactory'

PORTLAND, Aug. 20 - (AP) - The Oregon highway commission and Washington department of highways decided today that the Interstate bridge between Portland and Vancouver, Wash., will "satisfactorily carry" traffic until about 1980.

After that another bridge, probably a low-level span parallel to the present bridge will have to be built, the two agencies reported after a meeting here today.

Five construction programs were studied by the two groups. They ranged from a parallel bridge which would cost an estimated \$62,000,000.

The Washington study said that some 31,000 vehicles traveled the present bridge each day. Bridges, other than the proposed parallel one, would funnel off only 4,000 to 11,000 vehicles, the study continued.

The Washington department said it plans to construct the Vancouver freeway in the near future which will provide adequate approach facilities to the present bridge on the Washington side.

Polio Fatal To Dallas Boy

Statesman News Service DALLAS - Bruce Roland Jansen, 7, Dallas resident for two years, died of polio Sunday at Doernbecker hospital in Portland after an illness of two days.

He came to Dallas from Seattle two years ago with his parents, Mr. and Mrs. Abraham Edward Jansen, Dallas route 1, box 243. He was born March 28, 1944, at Seattle.

Survivors are his parents; brother, Keith Jansen; grandparents, Mr. and Mrs. J. H. Both, Dallas, and Mrs. Anna Jansen, Yakima, Wash.

Funeral services, in charge of Bolman funeral home, Dallas, will be held at 10:30 a. m. Wednesday at Salt Creek Baptist church. Burial will be at Salt Creek cemetery.

Allies Smash to Crest of Hills

U.S. EIGHTH ARMY HEADQUARTERS, Korea, Tuesday, Aug. 21 - (AP) - Allied infantry smashed to the crests of a hill mass on the eastern Korean front Monday and continued early today to battle for the remaining ridges.

South Korean troops made the biggest gains.

On the central front, Chinese retds attacked in company strength but were hurled back.

Allied fighter bombers pounded the western Korean rail system which converges on Pyongyang, Korean communist capital.

Jet Crashes Into Truck, 11 Soldiers Die

FORT DIX, N. J., Aug. 20 - (AP) - A jet training plane, fighting for altitude, roared into a truck full of soldiers at the edge of McGuire air base today, killing 11 men and injuring 22.

The plane bounced off the truck and plowed on into a woods where the ground soldiers had been training. Both the truck and the plane caught fire and burned fiercely.

The tired soldiers were just starting back to Fort Dix for supper. As they climbed into the truck they saw the plane bearing down on them at tremendous speed. Before they could jump clear, it plowed into them, showering the truck with blazing jet fuel.

Army authorities said the two air force officers in the plane were killed instantly. Eight GIs on the ground died in the crash. Of the 20 injured, 16 were treated at the post hospital for minor burns and injuries and released. The other four were detained, three of them in critical condition.

The plane gouged a 200-yard path through the woods. The crash happened about 2,000 feet southeast of the air base.

Salem Marines Due Home From Korea

Four Salem marines and several others who were called from reserve to active duty a year ago returned Monday, veterans of the war in Korea.

Among troops aboard the USS Montrose when it docked in San Diego were S. Sgt. Leroy V. Allen, 2085 Berry st.; S. Sgt. George R. Crump, Sgt. Duane Isaacson, 421 Gerth st., and Sgt. Edwin J. Bernard, 2685 Fisher rd., all of Salem.

Others among the 30 Oregon marines aboard included Sgt. Jack Courtney of Newberg, Sgt. Joe Stone, Sweet Home, S. Sgt. Robert L. Newell, Molalla.

Idle Loggers Urged to Help Harvest Crops

Lumber and logging workers whose activities have been curtailed by the continued dry weather Monday were urged by the state employment service to take their families into the orchards, bean fields and hop yards to help save the crops.

"Local employment offices report a shortage of at least 6000 workers," Earl R. Lovell, director of the employment service, said. He said loggers and lumber workers out of work have a fine opportunity to earn many extra dollars.

Main labor shortages, Lovell said, are in the Willamette valley. He declared the Salem office could use 1000 bean pickers at once and 3000 hop pickers within the next two weeks, while Eugene, Lebanon and McMinnville areas are short of help.

Freewater and Hood River are asking for help in their orchards while the Gresham area east of Portland wants 200 blackberry pickers.

Lovell said camps and housing are available in many sections but inquiries should be made of the nearest local employment offices before moving far afield.
