

### Defendant Brands Charge As 'Case of Mistaken Identity'

A man brought back from California Sunday to face a three-year-old check charge claimed in Marion county district court Monday that he is not the defendant and that he knows nothing of the case.

David Earl Jackson, Coolidge, Ariz., said he is not the J. E. Taylor charged with obtaining money and property by false pretenses from a Monitor store in August, 1948. He pleaded innocent, and preliminary hearing was set for Wednesday.

Jackson was held in the county jail in lieu of \$1,000 bail.

Preliminary hearing for Arden Burris, Monmouth, on a charge of robbery was set also for Wednesday.

Ed George Ramey, Brooks route 1, pleaded guilty to driving while intoxicated and received a 30-day jail sentence, to be suspended upon payment of \$250 fine, and was placed on one year's probation.

Arrested Monday morning near Mill City by state police, Lonnie John Holland, Mill City, pleaded innocent to a charge of driving while intoxicated. Jury trial was set for September 25. Holland was held in the county jail in lieu of \$350 bail.

### Counties to Hear State Property Reappraisal Plan

Orego.'s new statewide property reappraisal program will be the principal topic for a two-day training school meetings for county officials of Lincoln, Marion, Lane, Polk, Benton and Linn counties at Toledo October 2.

The meetings, held at six points throughout the state, will include discussion of new and revised laws enacted by the recent legislature and discussion of the statewide equalization plan.

Sam Stewart, assistant attorney general assigned to the tax commission will lead the first discussion and Commissioner Robert MacLean will lead the second.

### Flying Farmers Elect Dayton Man

HOOD RIVER, Sept. 17—(AP)—Worth Wiley, Dayton, Ore., was named president of the Oregon Flying Farmers at a state convention here yesterday. He succeeds Roger Loennig of Baker county.

John Teufel, Hillsboro, was elected vice-president, and Mrs. San Whitney, Newberg, secretary-treasurer. Charles Covey, Powell Butte, and James Rothrock, Adams, were named directors, and Ralph Seroggins, Lebanon, and Sam Whitney, Newberg, associate directors.

### NATO Nation Military Chiefs To Meet Soon

OTTAWA, Sept. 17—(AP)—Top military leaders of the North Atlantic countries will meet within six weeks to consider urgent defense problems and a plea from Gen. Dwight D. Eisenhower for faster delivery of troops to his European army.

This was disclosed tonight by a spokesman for the North Atlantic council, now in session here. He said the NATO military committee would hold a session—before the Rome meeting of the council late in October—to take up all military matters demanding attention.

The military committee is made up of the chiefs-of-staff of the 12 member nations.

The council received a detailed secret report today on its military operations, including the appeal from the supreme commander.

Meanwhile, it was learned the council received a report from its deputies that they were agreed unanimously to Greece and Turkey should be associated with NATO in some way.

NEW YORK, Sept. 17—(AP)—Lederle laboratories announced they are placing a new hog cholera vaccine, Rovac, on the market today. This vaccine was announced in medical journals last month. It is a one-injection vaccine, and its protection begins seven days after the inoculation.

Asphalt mixed with rubber is said to make roads cheaper than when no rubber is used.

SNAG KILLS LOGGER  
Klamath Falls, Sept. 17 (AP)—A logger was killed today when hit by a falling snag while working near Beatty, 45 miles east of here. Deputy Coroner Clarence Ward said the victim was Elmer Garry, 54, a partner in a small logging operation.

Mathematicians say that a machine could be built to play perfect chess or to orchestrate a melody.

# "Rust-Proof gasoline makes my car last longer"

**"Working in a shipyard, I've seen the damage that rust and corrosion can do. That's why I protect my car with Richfield Rust-Proof Gasoline."**

Your car—every car—is constantly being attacked by rust and corrosion. These twin destroyers are caused by moisture that condenses daily in your car's gasoline tank. This moisture is carried through the fuel system, damaging the inside of the gas tank, fuel lines, fuel pump and carburetor. The result—poor gasoline mileage, rough performance, annoying breakdowns, expensive repairs—a shorter life for your car.

In all the West, only Richfield Rust-Proof Gasoline protects your car against rust and corrosion. It contains an exclusive Richfield

ingredient that makes moisture harmless—stops rust and corrosion and keeps them stopped!

This car-saving protection is yours at no extra cost when you get Richfield Complete Car Care, the years-ahead way to keep your car running better today so it will serve you better tomorrow.

Besides Rust-Proof Gasoline, Complete Car Care safeguards your car with RICHFIELD HEAVY DUTY MOTOR OIL, the new type of oil that's recommended by many car manufacturers... RICHFIELD PROTECTIVE LUBRICATION, scientific application of tough, Rust-Proof lubricants... RICHFIELD SAFETY SERVICE, your Richfield Dealer's personal attention that keeps your car running longer, safer, more economically.

See your Richfield Dealer today!

Extra life for your car at no extra cost
