Stock Market

stock market dipped a little lower today with all categories excepting rails joining in the fall.

As has been the case in recent sessions the volume turned down as prices eased. The total for the day was only 1,630,000 shares, the smallest since the 1,520,000 on Sep-

The Associated Press averages gave a good picture of the situation. The average for 60 stocks dropped 20 cents at \$100,10. Industrials fell 70 cents and utilities slipped ten cents while the rails gained 30 cents at \$70.20.
