Mrs. Largent Tells Garden Facts to Club

Statesman News Service
JEFFERSON — Mrs. Howard Largent, chrysanthemum grower at Rosedale, spoke at the Jefferson Friendly Garden club, illustrating her talk with potted plants and many bouquets representing 60 varieties of chrysanthemums. Following her talk she gave the flowers to the club to auction. They added \$17 to the club treasury.

Mrs. Largent has 2,700 kinds of outdoor chrysanthemums in her garden across the road from Rosedale school on Ankeny road. Some 350 indoor plants are thriving in her greenhouse. Mrs. Largent said that any soil that will grow good potatoes is suitable to chrysanthemums and that they do best with little fertilizer. She put bonemeal in the soil when she puts them in the ground in the spring and by the time the first buds begin to set on, the fertilizer is working. She pinches the plants back three times, starting with the first bud.

The Jefferson club will visit the Largent's gardens Sunday, November 4, when the exhibition-type mums in the greenhouse will be at their best.

Mrs. Frank Martin exhibited a flower and an autumn vegetable garden, attracting much attention. Serving refreshments were Mrs. Helen Gaywood, Mrs. A. B. Hinz, Mrs. Scott Hawk, Mrs. Lee Wells, Mrs. Glen Cobb and Mrs. Emma Whedbee.

Bear Shot 1/2-Mile West Of Willamina

Statesman News Service
WILLAMINA — Del Lamson shot a bear about a half-mile west of Willamina this week. It was treed by Harold Mendenhall and several small boys. They shot at it several times with a .22 rifle without apparent result. Lamson came to town, got a high-powered rifle and shot the bear. When it was dressed, several 22 slugs were wound in the carcass. They had penetrated only 2 inches.
Voting precinct 8 in Willamina will be divided soon. In the last election the precinct cast 525 votes and state law says only 500 votes may be cast in each precinct. The division will be made with the future growth of the city and the surrounding area taken into consideration.
Yamhill County Clerk Jack Beeler has announced that ample notice will be given to the voters as to the exact boundaries of the new precinct.

Between now and November 15, the Willamina fire department will accept toys that are usable or can be repaired, to be distributed at Christmas to less fortunate families in this area. Harry Shipley is heading the committee for the firemen. Last year 20 families benefited from the service.
Toys may be left at the city hall or at 742 1/2 Ave. F. Kahrd and al or the fire hall. It is hoped that the toys be turned in as soon as possible so that they may be repaired in ample time for Christmas.
