

### Miss Doubrava Is Married

Hubbard—Miss Magdalene Doubrava, daughter of John P. Doubrava of Hubbard, and Gian Kreiger of McMinnville, son of Albert Kreiger of Long Beach, Calif., were united in marriage at a nuptial mass Saturday morning, November 10, in the St. Agnes Catholic church, Hubbard. The double ring ceremony was performed by the Rev. V. L. Motman. Mrs. George Grimps was organist. Mrs. Wencel Doubrava sang.

The bride, given in marriage by her father, wore a traditional white satin gown and her veil of illusion was held in place with a heart shaped crown of lace edged in orange blossoms. She carried a cascade bouquet of white chrysanthemums with an orchid.

Miss Mary Potrows of Woodburn was maid of honor and wore a light moss green gown, matching mitts and heart shaped crown trimmed with lily-of-the-valley. She carried a nosegay of white chrysanthemums. Bridesmaids were Mrs. Vera Coleman and Miss Jean Boldade, both of Woodburn, wearing American beauty rose gowns with matching mitts and crowns and carrying white nosegays.

Louis Doubrava, brother of the bride, was best man. Ushers were Joseph Stupfel and Eugene Schmidt, both of McMinnville. Susan Jo Doubrava, niece of the bride, was flower girl.

The reception followed in the Hubbard Firemen's hall. The bride's cake was served by Mrs. Albert Pirkil, sister of the bride, and Mrs. Anton Pirkil, also a sister, poured. Assisting were Mrs. John Doubrava, Mrs. George Grimps, Misses Arlene Jordan and Mary Bronce, Mrs. C. L. Welch, Mrs. Clarence Friend, Miss Lillian Bronce, Mrs. Wencel Doubrava and Mrs. G. H. Kauffman of Portland.

For traveling the bride wore a gray suit with black and green accessories. They will be at home in McMinnville.

### Committee Makes Plans

Salem Memorial hospital auxiliary membership committee met Tuesday morning at the home of Mrs. Daniel J. Fry, jr., chairman, to outline plans for the membership drive, which will be launched in January. Co-chairmen of the drive is Mrs. Stephen H. Sherman and others on the committee are Mrs. Charles Heltzel and Mrs. C. Ronald Hudkins. The regular meeting of the auxiliary was held Monday at the YWCA and reports were given on the successful rummage sale held this fall.

### Rotans Plan Events

Rotans club members were entertained Monday night at the home of Mrs. Chester Pickins with Mrs. Merrill Barber and Mrs. Wilmer Walls assisting. George Birrell was the guest speaker and told of the atomic defense program. The group made plans for a rummage sale on December 7 and the annual Christmas dinner for December 10. Tentative plans were outlined for the Christmas welfare work of the club.

Fruitland — Mrs. Howard Mumby of Salem was hostess for a shower in honor of Mrs. Gene Shamberger of Stayton on Wednesday at the home of Mrs. J. J. Shamberger. Attending were Misses Arthur Seadner and Harry Davis of Stayton, Robert Koenig, Irvin Shatts, Elvin Shatts, Miss Opal Shatts of Woodburn, Kenneth Jensen, George Williams, Susan Shamberger, John G. Shamberger, E. C. Coater, K. M. Robinson, E. Gates, E. McClellan, Clayton Mumby and Mary Shamberger, all of Salem.

### HEADBOARD BED MOVEABLE

It is so much easier to slip through the mornings chores if the beds slide easily over the floor. One of today's favorite beds, the headboard bed, may be hard to move because it sits on the floor on six legs attached to the boxspring. But it needn't be. You can buy a frame for it to make it moveable, a frame that adds not an inch to the bed's length or width. This frame can be attached to any headboard and it makes the headboard moveable as well as the mattress and spring. It floats the headboard legs slightly above the floor. The weight of the bed is evenly distributed and the frame legs on casters fit underneath where they can't be bumped into. You can change one headboard for another with ease yourself, and it is even possible to convert a twin bed to a double bed, or a double bed to a twin bed and use the same frame because the frame is adjustable to any bed size, from single to double. And if a bed with boxsprings isn't a headboard bed, but you wish it were, the old rails can be traded for the new frame so it can become one.

### On Etiquette

By Roberta Lee

Q. What rule should be followed in the setting of a dinner table?  
A. The one unbreakable rule is that everything on the table must be geometrically spaced—the centerpiece in the actual center, the "places" at equal distances, and all utensils balanced. Beyond this rule, you may set your table as you wish.

Q. How does one word a note of regret in reply to a formal, engraved wedding invitation?  
A. In the third person, the same as the invitation has been worded. "Mr. and Mrs. John J. Smith regret, etc."

Q. If one is walking with a friend who stops to speak with another friend, what should one do?  
A. Walk on slowly, and do not stand by awkwardly and wait for an introduction. If your friend wishes to make an introduction, he can bring his friend to you.

### Valley Births

SILVERTON — To Mr. and Mrs. Robert Hastie, Woodburn, a daughter, at Silverton hospital, November 9.

HUBBARD — Mr. and Mrs. Robert Brandt are parents of a son, born November 9 at Salem hospital.

### Mothers' Club Organized at Shaw School

SHAW—Mrs. Irvin Bartels was elected president when women of the Shaw public school district organized a Mother's club Friday night.

Mrs. George Walsh was named vice-president, and Mrs. Floyd Lacey, secretary-treasurer. Mrs. George Walsh, school clerk, presided.

The October school carnival netted \$151, to be used to buy a sound movie projector for the school. Means of financing the balance were discussed. It was also voted to purchase an electric coffee urn.

Future Mothers' club meeting will be held at Shaw school on the second Tuesday of each month at 8 p. m. Nine women attended the first meeting.

Shaw grade school has an enrollment of 32 this year. Mrs. Lillian Hoyt is principal and teacher of the four upper grades. Mrs. Margaret McCall is teacher of the first four grades.

### Silverton, Waldo Hills Grange Installation Set

SILVERTON—The Silverton Grange will meet Friday night, November 16, instead of on its regular date, the fourth Friday night of the month. The meeting was set forward because of the Thanksgiving holiday.

This will be installation of officers and the Waldo Hills Grange will install jointly with the local group.

The Silverton Grange Home Economics club will meet Thursday afternoon at the home of Mrs. Marie Hope and Officers will be installed at this meeting also.

### New Dates Listed for N. Marion High Events

HUBBARD—The Firemen's auxiliary met Monday night. The date of the football banquet for the North Marion union high school teams, sponsored by firemen, has been changed and is now tentatively set for Thursday, November 28, 6:30 p. m. at the school.

The Junior class play "Aaron Slick from Funken Crick," a rural three-act comedy, will be represented at 8 p. m. Wednesday, November 21, in the Hubbard grade school gym. The date has been set up from November 18 because of the district football play-off.

### FOURTH GRADERS WIN

BROOKS — The fourth-grade room at Brooks grade school won a prize for having the most parents present at the recent P-TA meeting here.

### Damage Suit Asks \$14,062

Suit for \$14,062.80 damages for injuries allegedly sustained in an auto collision last January 18 at Silverton was filed Tuesday in Marion county circuit court by Lynn L. Caryle against Alous Mosen, owner, and James Mosen, driver, of the other car involved.

Caryle alleged he sustained severe bruises of the head, neck and shoulders resulting in permanent partial disablement. He asked for \$10,000 general damages and \$4,062.80 special damages, including medical care, loss of income and damage to automobile.

The accident occurred at First and High streets.

Such colorful Christmas Ideas! Send twenty cents to order our new Laura Wheeler Needlecraft Catalog. Choose patterns for your Christmas gift-making from the gaily illustrated rug, doll, household and personal accessories. A Free Pattern is printed in book.

### Balanced Diet Said Help to Avoid Cancer

CORVALLIS, Nov. 13 — That diet has something to do with cancer is now an established fact, Dr. Howard H. Hilleman, assistant professor of zoology at Oregon State college, said today.

A balanced diet will tend to reduce the chances of developing cancer and to prolong life if cancer is evident, Dr. Hilleman concluded from his just-completed research project on hamsters.

During this two-year study, he injected 100 hamsters (a guinea pig-like animal) in three diet groups with one hundred gram of benzopyrene, a cancer-inducing tobacco tar derivative.

Hamsters on a deficient diet were fed enriched white bread and carrots; whole-diet hamsters ate greens and whole grains; and supplemental-diet animals munched greens, whole grains, vitamins, minerals and some proteins.

More than 50 per cent of all animals, Dr. Hilleman found, developed cancerous growths after an average of 132 days following injections, and died on the average within 30 days after the appearance of the tumor.

Only 37 per cent of the animals on the supplemental or vitamin-booster diet developed cancers as against 88 per cent of the hamsters on the deficient and whole diet, he recorded.

All experimental animals were placed on a supplemental diet immediately after a tumor appeared, but all eventually died. Average span after cancer appeared was 56 days for the supplemental-diet group; 27 days, whole diet hamsters; and 35 days, deficient-diet animals. Supplemental-diet hamsters had a life-span average of 48 per cent over both the whole and deficient diet groups.

Most cancerous growths, like rhabdomyosarcoma, were found to be highly malignant. They grew rapidly to large size and frequently outweighed an animal by as much as 25 per cent.

In the past years, Dr. Hilleman has guided more than 10 graduate students in as many research projects concerning the hamster's growth. As a widely-known embryologist, he has written numerous articles for leading scientific journals.

### CLASS NAMES OFFICERS

MIDDLE GROVE—The fourth- and fifth grade room at Middle Grove school has elected the following officers: Chairman, Hillie Joe Silmak; vice-chairman, Harry Schardt; secretary, Donna Roberts; Wallace Turner is the class instructor.

## GREYHOUND

# Rules the Road but not Your Budget

## Make the MERCURY 2-Way Test

# WARNER MOTOR CO.

430 N. Commercial Street, Salem

**1. Road Test a Mercury for proof of performance!**

Watch a Mercury show its stuff when the light goes green. Feel that comforting reservoir of surplus power for safe passing on the open road. No doubt about it, you're the boss when you drive a Mercury. For here's a performer that never wits when the going gets tough. Mountains are cut down to size by eight cylinders of high-compression V-type 8 power. Traffic tangles unravel before its sure-footed gait. Byways become highways as its synchronized springing and foam-rubber cushioning sub out the bounce and jounce. Little wonder that Mercury is such a fast-growing star in popularity; you just can't beat its combination of performance, value, and prize-winning economy. Stop around for a road test and see.

**2. Budget Test a Mercury for proof of value!**

Does it have a down-to-earth first price? Mercury's price tag you can easily understand—a big dollar's worth for every dollar invested.

Will upkeep stay low? You save money year after year. Mercury's famous down-keep repair bills at a rock-bottom low.

Is it famous for long life? It is indeed! 92% of all Mercurys built for use in this country are still on the road, according to latest annual official registration figures.

Will trade-in value stay high? Mercury's famous down-keep repair bills at a rock-bottom low.

Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.

Does it represent solid value? Mercury owners say YES! So will you when you get the story from your Mercury dealer. See him soon.

**3-WAY CHOICE!**

For "the drive of your life" Mercury offers a triple choice in dependable transmissions. Mercury's new smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also direct-drive standard transmission.
