

Several Roasting Methods Told in Detail for Last Minute Preparation

By Maxine Buren, Statesman Woman's Editor

If you are planning on a turkey for Thanksgiving, you've purchased it by now, and are either thawing it after having stored in your freezer, or you are contemplating the number of pinfeathers waiting your attention.

We've given a treatise on how to roast the turkey before this season, but no matter how many times it's put into print, there are readers who need the information at the last minute.

As we've said for the last 15 years, roast the turkey the easiest way which, fortunately is also the best. Cook it in a shallow pan uncovered in a very moderate oven. It need not be seared, basted or covered. You need no roasting pan and if your oven is regulated, you need look at it only once, and that long enough to remove an oil soaked cloth which you put on top when you put the turkey in the oven.

For best results place turkey on a rack in the pan, a dripping pan is fine, place it in a 325 degree or less oven and forget it. Here's the chart:

Table with 3 columns: Pounds, Degrees, Hours. Lists roasting times for various turkey weights.

The above chart is for ready to cook turkey, if you bought yours "dressed" and the meatman removed the feet, head and inside later, subtract from 5 to 2 pounds from the original weight to bring it down to its ready-to-cook weight.

If you bought a 11 to 12 pound turkey "dressed" but not eviscerated, it is actually a 11 to 12 pound turkey when ready to cook. Best to weigh it after it's ready for stuffing.

Allow 1 cup stuffing per pound of ready-to-cook weight. VERY SLOW WAY. Our own Salem method of roasting a turkey is to cook it at an even lower heat overnight.

The time by this method is somewhat flexible because the turkey seldom is overcooked because of the extremely low heat. You'll find it will brown nicely, but in case it doesn't, brown it at the last, not first, of cooking.

The method is simple! Put the bird into a 250 degree oven when you go to bed at night. For a large one, 24 pounds and up, you'll need to put it in earlier. One 27 pounder last year went into the oven just after supper because the bird was to be eaten at 1 o'clock. It was done at noon, and was allowed to sit in a warm place to season for an hour. It was deliciously tender, easy to carve and perfectly done.

Do not do one of the very small turkeys this way because they only cook a few hours and would be overdone. Also be sure your oven thermostat is correct. An oven that's too high will cook the turkey too soon by this method, in that case, set it out and heat it during the last hour before dinner.

Be sure you have enough dressing, it's a popular part of the Thanksgiving dinner and there should be some left overs for the days which follow. Bake some in another pan in the oven, being sure to use the giblets for flavor as this won't get any from the turkey cavity like the other stuffing.

TO USE THERMOMETER. If you've a meat thermometer, insert it between thigh and lowest rib to center of stuffing and when the temperature reaches 180 it is done. If the thigh is big enough to hold the thermometer imbedded, the meat is done when the temperature is 190 degrees. The new thermometers indicate the temperature for poultry and also the degrees, but in case yours does not, 180 is the temperature indicated for lamb.

Mrs. Gilmore New Chairman

The Eola home of Mrs. Burton Myers was the scene Monday night of the November meeting of Salem alumnae of Alpha Chi Omega. Assisting hostesses were Mrs. Gordon Hadley and Mrs. Walter Wood.

Attending the meeting were Mrs. Wallace Bonesteel, Mrs. W. Vernon Gilmore, Miss Florence Goodridge, Mrs. Lewis Griffith, Mrs. Frank Guerin, Miss Mary Hawke, Mrs. John Larwood, Mrs. Cornelius Loggren, Miss Barbara Mail, Mrs. Robert Phillips, Mrs. George Seymour, Mrs. Ralph Smith and Mrs. Waldo Zeller. A special guest was Miss Mary Howe, vice president of the active Alpha Chi Omega chapter on the Willamette campus.

A general business meeting was held. Plans were discussed for the annual Christmas green display, which will be held at the new chapter house, 610 North 15th, December 1 and 2. A letter was read from the national vice president of Alpha Chi Omega telling of the appointment of Mrs. W. Vernon Gilmore as district alumnae chairman for district XIV.

Patricia Todd to Head Bethel 35

Miss Patricia Todd was chosen honored queen of Bethel 35, Job's Daughters at the Monday night meeting. Other officers elected include Miss Carol Hewitt, senior princess; Miss Barbara Cone, guide; and Miss Susan Youngquist, marshal. The installation will be an event of December 17. Junior Bethel night was observed during the meeting.

Bethel Guardian, Mrs. Marvin Rasmussen, and guardian secretary, Mrs. Eldon Cone, were honored on their birthdays. Honor guests were Jody Boyer, honor queen-elect of Bethel 43, who extended an invitation to the Bethel to the installation ceremony of Bethel 43 on December 1; Mrs. Charles Boyer, past guardian of Bethel 43; Mrs. E. T. Hartwell, grand marshal and past guardian of Bethel 35; and Elwyn Hill, past associate guardian of Bethel 35.

The Mother Bethel has been invited for Friendship night on December and at the time there will be initiation.
