County Births Lag for Year; Deaths Rise

Marion county births in November were more than a year ago, but 1951's total of new babies to date is lagging behind the record set in 1950, the county health executive board was informed Thursday. Deaths are more numerous this year, however.

During both October and November, new girls exceeded boys, the reverse of the usual ratio. In October it was 126 to 107 and last month 101 to 100.

These new babies brought the total for the first 11 months to 2,406, compared to 2,480 for the same period of 1950. The all-time high, set in 1950, was 2,644.

Death of 46 males and 38 females in October and 31 and 25 in November brought the year's aggregate to 807, well above the 731 for the same period last year. These included four infant deaths in October and one last month.

As usual, heart disease led as a cause of death, in 22 cases in November, followed by apoplexy 8 and cancer 6, while syphilis caused 2 deaths.

Leading communicable diseases in November were broncho pneumonia 15 and measles 14.

Dr. W. J. Stone, county health officer, reported to the committee on two recent conclaves, the governor's conference on accident prevention and the state rural health conference.

He said that a representative of the Kellogg Foundation, from which the county health department has a grant of funds for public health nurse training, will be here to confer with health officials on the county program.

Pinson Rites Set Saturday

Funeral services are planned for Saturday for William David Pinson, 75-year-old Silvertown resident who died at a hospital there Tuesday following a stroke. He had been in good health up to this week.

The funeral at 10:30 a. m. Saturday in W. T. Rigdon chapel will be followed by burial in Belcrest Memorial park.

He was a native of West Virginia who lived many years in Idaho before coming to Oregon in 1937. He was active in the Methodist church at Silvertown since moving there six years ago. In his early days he had been a Methodist minister.

He leaves a widow, Bessie Anna; nine sons and daughters, William Lawrence Pinson, Gold Beach; James Paul Pinson, Reedport; Mrs. Ruth Mundell, Eugene; Mrs. Elizabeth Wimer, Portland; Mrs. Alta Boyd, Kellogg, Idaho; Mrs. Verlee Bellmer, Tacoma, Wash.; Mrs. H. Savings Account Interest Rate Increase Slated

Interest on savings accounts at Willamette Valley bank will go up one-half of one per cent January 1, to 2 and 2½ per cent, President C. Carroll Meeks announced Thursday.

The higher figure is paid on the bank's "bonus plan" savings accounts which require deposits of at least \$5 each calendar month and no withdrawals except of interest.

Meeks said all accounts which do not meet those requirements automatically receive the 2 per cent interest.
