Timber Auction Includes Big Tracts, Mill

Statesman News Service

LEBANON—One of the largest private timber holdings in Oregon will go under the auctioneer's hammer at Lebanon Jan. 25.

It comprises the estate of the late Aaron Ingram, and includes a sawmill at Holley, a Hyster lumber carrier now located at the I and S sawmill in Lebanon, and six individual tracts of timber with an estimated value of over a quarter-million dollars.

A spokesman for the estate said the sale comprises seven parcels which may be bid upon individually or as a unit. All bidding will be oral.

The sale will be held in City Hall at 1:30 p.m. Jan. 25.

Lebanon attorney Laurence Morey, co-executor of the estate with the First National Bank of Portland, said all prospective bidders are welcome to inspect the timber and mill premises at any time. Photostatic copies of the cruises are now obtainable from Eggen Photo Studio.

All timber tracts have direct access roads to payed highways.

Parcel one includes the Ingram Lumber Company sawmill at Holley, and the Hyster carrier at Lebanon. The mill site contains 9.38 acres.

Parcel two has an estimated 710,000 board feet of merchantable timber and 12,300 feet of marketable fir poles.

Over 8,500,000 feet of merchantable timber is located in parcel three along with 200,000 lineal feet of fir poles.

Another parcel, designated as number four, contains 2,900,000 feet of timber and 81,000 feet of poles near Brownsville. Parcel five has 870,000 feet of marketable timber and 38,000 feet of poles.

The final two tracts contain 122,000 feet of poles in parcel six on Berlin Road about three miles east of Lebanon and 300,000 feet of salvage timber in parcel seven.

Bessie Page, Resident of Dallas, Dies

Statesman News Service

DALLAS — Bessie A. Page, a resident of Dallas for the past 29 years, died here at the home of her daughter, Mrs. William Ott, Tuesday morning.

Death came after several months' illness. The deceased was a member of the Presbyterian Church and of the Order of Eastern Star. She was the widow of Edward Lenner Page, former manager of the Mountain State Power Company in Dallas, who died in 1949.

Mrs. Page was born June 22, 1884 at Oakland, Ore. She was married in 1906 in Lewiston, Idaho, and the couple came to Dallas in 1922.

Surviving, in addition to Mrs. Ott, are a son, Donald H. Page and Dr. Wayne J. Page, both of Dallas; sister, Mrs. Emma E. Lander of Klamath Falls; brother, A. B. Graubbe of Oakland, and by five grandchildren.

Funeral services will be held at the Bollman Funeral Chapel on Thursday, Jan. 10, at 2 p. m. with Dr. Earl Benbow officiating. Interment will be at Belcrest Memorial Park in Salem.

Vishinsky 'Willing To Let Ike Run'

PARIS (AP)—Reporters asked Soviet Foreign Minister Andrei Y. Vishinsky for comment Monday on Gen. Eisenhower's statement saying, in effect, that he is willing to accept a Republican presidential nomination.

"Let him run," said Vishinsky with a chuckle. "I have no objections."

Training

Naval Aviation Cadet Walter J. Dodge, USNR, son of Mrs. Walter F. Dodge, 1933 State St., is training in instrument and night flying at the Naval Auxiliary Air Station, Corry Field, Pensacola, Fla. Cadet Dodge is a former Willamette University student.

NPA Raises Automotive Output Quotas

WASHINGTON (AP)—The National Production Authority, under pressure to relieve rising unemployment in Detroit, boosted second-quarter automotive output to 900,000 cars and 240,000 trucks Tuesday.

This compares with previous plans to limit the industry to 800,000 cars and 200,000 trucks.

The new figures were to have been divulged to Congress tomorrow, but Senator Moody, (D-Mich) broke the news tonight with the comment that the limitation still is "too harsh."

Actually, it was learned elsewhere, NPA will permit passenger car output in the April-through-June quarter of 1952 to go higher—probably to about 950 thousand cars—if the industry can substitute steel for copper in some auto parts.

The original allocation, which was tentative, would have cut production to half the pre-Korea rate.

After leaders of the industry and the CIO United Automobile Workers carried a protest directly to Mobilization Director Charles E. Wilson, forecasting acute joblessness in the industry's capital, production officials got out their pencils to refigure the steel, copper, and aluminum allocations.

Housing construction is due for curtailment, reporters were told by Henry H. Fowler, chief of the National Production Authority. Fowler became NPA Administrator this morning, succeeding Fleischmann who previously headed both NPA and DPA.

Fowler did not disclose the extent of contemplated curtailment of residential buildings, but indicated it might carve 100,000 or more homes from the government's previous housing target—800,000 to 850,000 new dwellings annually.

Sumner Welles Weds Ex-Baroness

NEW YORK (AP)—Former Undersecretary of State Sumner Welles was married Tuesday to a former Austrian baroness, Harriet Post Wilson Von Jeszenszky.

The private ceremony was held at the Fifth Avenue home of the bride's mother, Mrs. George B. Post. Afterwards, the couple left for an unannounced destination.

It was the third marriage for the 59-year-old Welles.

The bride, 57, was divorced recently in New Jersey from her second husband, Austrian Baron Emmerich von Jeszenszky.

Cancer Claims High School Beauty Queen

ATLANTA (AP)—Betty Thompson, 19-year-old high school beauty queen whose shattered romance with sailor Tom Amburn touched the hearts of Americans, lost her battle with cancer Tuesday.

She died after a valiant four-year fight against the disease which forced amputation of one leg and caused cancellation of her marriage to her sailor sweetheart of Sioux Falls, S. D.

Amburn came from the Norfolk, Va., Naval Station last June to visit Betty. They had met while Amburn was visiting a neighbor of Betty's. She wore his ring on her finger when she was graduated from high school a few weeks earlier.

Betty broke her engagement with the sailor. "I'm not mad at him," she said. "But I think it best to end our engagement under the circumstances. I love Tom, just like I love everybody else."

"The doctor told me to live one day at a time," she said brightly after learning she would die soon, "and that is what I intend to do."

She recently flew to New York City and was treated to a whirl of entertainment as guest of the American National Theater and Academy.

Jews Wearing Yellow Badges As Protest

TEL AVIV, Israel (AP)- Many Jewish nationalists have taken to wearing yellow badges bearing the biblical phrase: "Remember what Amalek did unto thee." They are protesting the Government's plan to negotiate directly with West Germany on the question of reparations for Nazi crimes against the Jews.

The yellow color of the badge has a specific meaning to those wearing it. In the early thirties the Nazis ordered Jews to wear it as a degrading symbol of humiliation. The phrase is taken from Deuteronomy 24:17. Amalek was a tribe of Bedouins with whom the Jews fought continually from the time of their exodus from Egypt.
