

Kansas Holds Narrow Lead in Poll

Duquesne Gains Most Ground

Dukes Now in 7th; Huskies Ranked 8th

NEW YORK (AP) — Duquesne's fast improving and unbeaten basketball team moved into the Top Ten for the first time this season in the Associated Press poll as Kansas held on to its No. 1 ranking by a narrow margin over Illinois.

Duquesne 11-0, Kansas 13-0, Illinois 11-0, Iowa 11-0 and St. Bonaventure 9-0 are the only major college teams still able to boast perfect records. All five are in the top ten as Duquesne jumped from 16th to seventh place.

The law of averages caught up with previously undefeated Indiana and Seton Hall during the week. Indiana was beaten by both Ohio State and Iowa while Siena knocked off Seton Hall. Indiana dropped from 4th place to 14th and Seton Hall slipped from 9th to 12th. West Virginia climbed.

West Virginia edged into the first ten, advancing from 11th to 10th by beating Pittsburgh and Wake Forest.

There were some other shufflings and the first ten wound up like this:

- 1—Kansas, 2—Illinois, 3—Kentucky, 4—Iowa, 5—St. Louis, 6—St. Bonaventure, 7—Duquesne, 8—Washington, 9—Kansas State, 10—West Virginia.

Illinois actually received more first place votes than Kansas this week, 23 to 22, but the Kansans accumulated enough second and third place votes from the sports writers and sportscasters to nose out the Illini, 790 to 773. Points are based on 10 for first, nine for second, eight for third and so on. Kentucky still nestled in the No. 3 spot with a 11-2 record.

Sports' No. 1 Trend Noted

football were the following: "It is an attempt to settle college football into a more common sense operation and remove the stigma of subsidization."

"Unfortunately the trend was toward one of suspicion, also a clamor for greater restrictions. Moral rot and corruption. Driving of outstanding men from the coaching field by infantile win-or-else alumni wolves."

"Outstanding trend was too much talk on de-emphasis, not only by educators but by rank outsiders, who would 'cure the mange by killing the dog.'"

Speaking of the basketball scandals and consequent convictions, one sports editor declared they were "better than anything Broadway ever produced on the stage."

Joe Given Special Clearance Louis Victor in Fight For Spot in PGA Meet

SAN DIEGO (AP)—The Professional Golfers Association Tuesday cleared the way for Joe Louis to play as an invited amateur in the San Diego Open Tournament Thursday. PGA President Horton Smith said that the organization's by-law ban against non-Caucasians would apply however in the case of another Negro, Professional Bill Spiller. He said Louis' secretary had informed him that the former heavyweight boxing champion would play under the conditions announced. Louis thus won the right to play in the tournament, the first Negro ever to do so in a PGA sponsored event—but apparently failed at least for the present in his announced effort to gain equal rights on the links for all Negroes. Smith explained that Louis' entry was approved as one of 10 allowed the local sponsors for invited amateurs exempt from qualification.

More Teeth Put in Rules NCAA Group Gives Job To Gridiron Roughness

WHITE SULPHUR SPRINGS, W. Va. (AP)—College football rule-makers tried to make it clear Tuesday they want unnecessary roughness stopped. The NCAA rules committee reworded the regulation to get across the idea it wants flagrant violations of roughing rules thrown out of the game. It also acted to charge a team with a time out for sending in a player just to punt. This is the only change made in the substitution rules which are the basis of the two-platoon system. Under the new wording a player may be banned from the game and his team penalized 15 yards for striking with the forearms, elbows or locked hands. Before, 15 yards only was the penalty. The rules committee also substituted the word "shall" for "may" in making a flagrant violator of the personal foul rules subject to disqualification. Made Mandatory "This makes it mandatory instead of discretionary," explained Fritz Crisler, chairman of the committee. "It also will impress on both officials and coaches that the penalty is meant to be severe."

The committee left unchanged the rule making mandatory the ejection of a player who strikes an opponent with the fist or knee. The rule-makers also revised the sections on clipping and piling on. The former definition of a clip, hitting a player anywhere on the back, was restored. Since 1949, it has been illegal to block from behind, and the rule was made illegal as soon as the ball becomes dead. The penalty for illegal defensive holding also will be more severe, 15 yards instead of 5. "This is aimed particularly at holding eligible pass receivers because some teams were willing to gamble a 5-yard penalty against a long completed pass," reported Tad Wiseman, committee secretary.

Kircher Takes Cougar Berth

The loss of Kircher and Staveley from Evashevski's football troupe prompted reports that he is seeking Oregon State Assistant Chalmers Elliott and Leonard Younce to help him in Iowa. The Oregon Journal said it learned from an unnamed Pullman source that Evashevski is also after Pete Elliott, Bump's brother, who is now an assistant at Oklahoma. The Elliotts were backfield stars at Michigan, Evashevski's alma mater.

WSC won 7, lost 3 last year, their best record in 20 years. The Cougars are regarded by some as Rose Bowl contenders in 1952. Evashevski has said Kircher deserves "50 per cent of the credit" for last year's showing. Kircher came here with Evashevski from Michigan State where they were both assistants to Clarence Munn. After Evashevski announced his resignation Jan. 6 to go to Iowa, Kircher received more than 200 letters and telegrams from alumni asking him to stay. He was a great three-sport star in his college days at MSC and was head basketball coach at State before coming West. Badminton Champions Slate Title Defenses SEATTLE (AP)—Joseph Alston of Minneapolis and Ethel Marshall of Buffalo will defend their national badminton championships here March 27-29, Richard O. Yeager said Tuesday. The two are men's and women's singles champions, respectively. Yeager, local chairman for the U.S. amateur tourney, said the doubles titlists also would be on hand. They are Alston and Wynn Rogers of Arcadia, Calif., who hold the men's crown, and Dorothy Hann and Loma Smith, Arcadia, women's doubles champs.

Wolves Slate Negro Quintet At Monmouth

OREGON COLLEGE OF EDUCATION (Special)—One of the top treats of the basketball season will be offered here Wednesday night when the OCE Wolves play the barnstorming Kansas City Stars, a colored team now making a jaunt through the Northwest with the Harlem Globetrotters. Game time will be 8 p.m. The Stars actually amount to a "farm" club for the Globetrotters and the team is made up of many talented players who will perform for the Trotter Varsity in the future. Last season the Stars rang up a 136-70, 8-1 record.

Not unlike the Globetrotters, the Stars are a highly-entertaining team as well as one steeped in strength. The capable one-armed sensation, Bob Buie, is one of the Stars players. Others include John Scott, Oris Hill, Fred Pearson, Ervell Perry, Henry Singleton, Tom Smith, Sherman Hawkins and Tom Gipson, all with remarkable backgrounds in the cage sport. The Stars will perform various and always-pleasing court antics along with their appearance here.

Coach Bob Livingston of the Wolves plans to shoot his regular starting lineup at the visitors. This will include Hal Pitcher, Howie Sullivan or Chuck Pinion as forwards, Frank Rosenstock at center and Bob Bushnell and Whitey Palmquist at guards.

Sutphin, Owl Star, Dropped

KLAMATH FALLS (AP)—Don Sutphin, second high scorer in the Oregon Collegiate Conference last year and this, was dismissed from the Oregon Tech basketball squad Tuesday. He quit school soon after Coach Art Kirkland dropped him from the squad. He was reported headed for Vanport College, another member of the conference. Kirkland gave no reason for the dismissal of the Myrtle Point player except to say "it was for the good of the team and the school." Sutphin, top scorer for the Oregon Tech team, was suspended by Kirkland before the game against Oregon College of Education at Monmouth Saturday night. His dismissal from the squad here followed.
