USC	3	3	.500	434
UCLA	3	3	.500	424
Stanford	3	4	.429	408

SEATTLE (AP)—The University of Washington Huskies are not always "first nighters."

But they're certainly "second nighters." Three times this basketball season the Huskies have lost and three times they've come back to win decisively the second night.

They did it again Saturday night. After dropping the opening tilt to Washington State's Cougars at Pullman Friday night by six points at 56 to 50, the Huskies came roaring back Saturday night to win, 67 to 43.

Washington's earlier losses this season occurred on the first night of a two-game series. The Huskies blew the first tilt to Utah, then came back to whack the Utes. Against Idaho in Seattle a few weeks ago it was the same story—lose the first one, then wallop the foe in the finale.

Saturday night's victory pushed Washington a full game into the Northern Division Pacific Coast Conference lead over second-place Idaho.

Non-conference play also was disappointing to the Oregon Ducks. Oregon managed to beat St. Mary's handily Friday night at Eugene. But Saturday night the Gaels came back to whip the Ducks, 51 to 45. It was the first time in history the Gaels ever have beaten Oregon hoopsters.

All Northern Division teams will see action this Friday and Saturday. Washington travels to Oregon, a team it has beaten twice this season by large margins.

Washington State and Idaho meet in a home-and-home series. The two teams split an earlier two-game stand.

Oregon State entertains Bradley in an intersectional pair of games.

Faulk Snares Gals Gonfalon

MIAMI, Fla. (AP)—Mary Lena Faulk of Thomasville, Ga., won the 20th annual Helen Lee Doherty Women's Amateur golf championship Sunday with a 2 and 1 victory over Mary Ann Downey of Baltimore in the 36-hole final.

Miss Faulk, three times Georgia state women's amateur champion, held a 1-up lead at the end of 18 holes and never relinquished her advantage.

Infractions Wipe Out Prep Quintet

BRANSON, Mo. (AP)—All nine players of a Springfield High School basketball squad fouled out of a game in the semi-finals of the Branson tournament Saturday and the officials had to declare a forfeit.

Only a few seconds remained in the game when a total of 45 personal fouls had been called on the Springfield team. Its opponent, Sparta, was ahead 76-62 at the time.

Richards Hopes New Material May Make White Sox Contender

DALLAS (AP)—Paul Richards, the lanky Texan, is quite different from the average baseball skipper—he won't speculate on what the opposition is going to do.

All Paul is interested in is what the White Sox are going to do and he says there are several places where he's going to have to do better than last season. He won't even predict that this will come about.

Without considering pitching, Richards thinks he'll be stronger. He says he'll add a lot to the back-stopping corps.

They'll Do It Every Time

Yank Stars Ink '52 Contracts

NEW YORK—Gill McDougald (left), American League "Rookie of the Year" for 1951 and Yogi Berra (right), the league's most valuable player last year, sign 1952 New York Yankees contracts. Looking on are George M. Weiss (second from left), vice-president and general manager, and Roy Hamey, assistant general manager of the club. Berra will get an estimated \$35,000. McDougald, with a 100 percent raise, will get an estimated \$12,000. (AP Wirephoto to The Statesman.)

Cats to Invade Badger Court Saturday Eve

Willamette University's Bearcats will be a well-rested bunch when they plunge back into Northwest Conference action against Pacific at Forest Grove Saturday night. Coach John Lewis' men will have had more than two weeks respite from the wars because of exams—but while they have been idle the Methodists have seen the Lewis and Clark Pioneers build a one-game margin at the top of the standings via a pair of triumphs over Linfield's Wildcats.

Lewis has been conducting his men through daily drills to keep tuned the shooting eyes which produced 103 points in the locals' last outing against Lewis and Clark.

Forward Ted Loder was sidelined for a few days with a case of flu but is back now and should be in top shape for the Badgers Saturday night. The rest of the squad is in good physical shape.

Willamette has a 5-1 conference mark and Lewis and Clark boasts seven circuit wins and one setback. The outcome of the race will rest to a great extent on tilts between the Bearcats and Lewis and Clark Feb. 8 at Portland and Feb. 9 on the WU floor.

Tourist Funds On Increase

BRUSSELS, (AP)—More than 60 million dollars of tourist money in foreign currency have entered Belgium during last year's tourist rush, according to a statement made here by Arthur Haulot, Belgian tourist office chief.

This is the most favorable situation since 1938, Haulot said. Compared with 1950, the figures indicate a rise of 46 per cent for foreign tourist trade, and 36 per cent for Belgian travelers, during the months of June to September.

More than 1,370,000 nights were spent in Belgium's hotels by foreigners, against 4,465,000 nights spent in hotels by Belgians.

Pair Battle Wednesday

Henry-Satterfield Mix Ring Feature of Week

NEW YORK (AP)—The big boys from the heavyweight ranks feature the week's boxing program, topped by a Chicago Stadium battle Wednesday night between Clarence Henry of Los Angeles and Bob Satterfield of Chicago.

Henry, No. 3 among the heavyweight challengers after his stunning knockout win over Bob Baker, faces a solid puncher in Satterfield who mixes in both the heavy and light-heavy classes. Currently he is the fifth contender in the 175-pound division.

Rex Layne of Lewiston, Utah, one of the top 10 heavyweights, returns to action at Salt Lake City Monday against Bob Garner of Louisville, a ring veteran who once acted as a Joe Louis sparring partner.

World Skating Record Topped

OSLO (AP)—Hjalmar Andersen, Norway's speed skating ace, bettered his own world record for 10,000 meters by six seconds Sunday.

Andersen covered the marathon distance of speed skating in 16 minutes, 51.4 seconds during the National Norwegian Championships at Gjøvik, north of Oslo.

The Peshtigo forest fire in Wisconsin in October, 1871, covered 1,280,000 acres and caused the death of about 1,5000 persons.

Music Fetes Co-ordinated

GENEVA, Switzerland (AP)—The organizers of 12 European music festivals have set up an association here to co-ordinate their program and avoid duplication.

Some European cities, such as Salzburg in Austria and Bayreuth in Germany, have a music festival tradition dating back many years, but several others have started their festivals since the war as an added tourist attraction.

With the increasing number of festivals, there has been considerable overlapping of dates, programs and musicians.

The new "European Association of Festivals of Music" will now co-ordinate their activities and launch a joint publicity campaign. The association's program aims "both at emphasizing the European character of the festivals and at widening their audience in and outside Europe."
