Yeast Doughs Appear as Desserts as Well as Breads When Europeans Cook

By MAXINE BUREN
Statesman Woman's Editor

Yeast, as we told you once or twice before, does not mean bread alone, it may be the flavorful and fascinating beginning for a dessert or a light meal. It may serve its mission of rising, in any number of dishes—mainly foreign except for breads.

We recently published a recipe for yeast chocolate cake which seems to have gone astray as to method of being put together, so before we discuss a new recipe let's do this one over again.

CHOCOLATE YEAST CAKE

1 cup milk 2 1/2 cups flour
1/2 cup chocolate 1 cake yeast
2 cups sugar 1/4 cup warm water
1/2 cup butter 1/4 cup walnuts
3 eggs, well beaten 1 teaspoon soda

3 teaspoons boiling water

Heat milk and chocolate together, cool. Cream sugar and butter and add well beaten eggs. Then add flour alternately with milk-chocolate mixture. Now combine with yeast that has been dissolved in lukewarm water and add nuts. Let stand overnight and in the morning, add soda and boiling water. Bake in three layers.

Europeans know more about the possibilities of yeast than we Americans.

The Dutch make a sweet fried dumpling as a dessert, which gets its lightness from yeast:

OLIEBOLLEN

(Fried Dumplings) Pinch of salt
1/2 pound (generous 1 1/2 cups) 1/4 cup each raisins, currants
flour 1 ounce candied peel
1 cake yeast 1 chopped apple

Scant cup lukewarm milk 1/2 cup each lemon
Make a stiff dough with all ingredients, dissolving the yeast in a little of the milk first. Work well, shape into balls and cover, let rise for 1 hour. Have ready an iron pot with hot oil, drop in 2 teaspoons of dough at a time and cook a few minutes until light brown. Drain and sprinkle with sugar.

Cooking from the Tyrol isn't the most familiar in the world, but here is a specialty from a New York eating place which is supposed to be Tyrolean and which uses yeast.

DAMPFNUDEL

4 cups flour 1/2 cup sugar
2 ounces yeast 1/2 cup almond butter
4 cups milk

Make sponge of 1 cup flour, yeast and milk. Let rest for 1/2 hour. Add sugar, remaining flour, eggs, salt and grated lemon rind. Mix and shape into small dumplings. Grease cake pan with almond butter and line with dough. Set in a warm place for an hour. Bake in moderate oven. Top with vanilla sauce.

Another dessert that uses yeast but is this time Bohemian.

BOHEMIAN KOLACKY

1 cup butter 1/2 cup softened lard
4 eggs 2 eggs, well beaten
Salt 1 teaspoon salt
Lemon rind 3 cups flour
1 cake compressed yeast 1 cup cooked prune pulp
1 cup lukewarm milk, scalded 2 tablespoons margarine, melted
1 tablespoon sugar 1/2 teaspoon ground cloves
1/2 cup more sugar 1/2 teaspoon sugar. Let stand while creaming 1/4 cup sugar and softened shortening together. Add eggs and salt to creamed mixture, blending well. Stir in yeast mixture alternating with flour. Beat well, let rise until double in bulk. Shape into small rolls, make indentation in center and fill with a spoonful of prune, margarine and cloves, to which the remaining sugar has been added. Let rise until light, about 10 minutes, and bake in a 400 degree oven for about 15 minutes or until done. Makes about 15 tarts.
