KIDNEYS MUST REMOVE EXCESS WASTE
 Napping headache, loss of pep and energy, backache and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some of the everyday conditions, such as stress and strain, cause this important function to slow down, many folks suffer nagging backache, feel nervous, minor bladder irritations due to cold or wrong diet may cause putting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
