SINGAPORE (AP)—Forty-six Japanese emigrants stopped off here recently on their way to settle permanently in Brazil. Most of them spent a few hours ashore shopping in Singapore's well-stocked shops. Said one of the Japanese: "It is good to be able to get these things. It is very difficult to live in Japan these days."

### Grain Prices

**Spiral Upward**  
CHICAGO (AP)—Grains spiraled upward on the board today Monday aided greatly by a buying spurge in the last half hour. Until then, corn and soybeans had shown flashes of strength while the rest of the list lagged.  
It marked the sixth straight advance for corn and oats, which have recovered smartly after sinking to lowest levels of the year early last week.

Shortly before the close, March soybeans hit \$3.00 for the first time since Feb. 18, but they eased slightly from that point.  
Wheat closed 1/4-1/2 higher, corn 1/4-1/2 higher, soybeans 1/2-3/4 higher and lard 8 to 28 cents a hundred pounds higher.

**Stocks Cut by Profit-Taking**  
NEW YORK (AP)—Heavy profit-taking in the railroads induced moderately deep cuts in stock market prices Monday.  
Santa Fe, which closed off 2 1/2 at 78 1/2, reported record high gross income last year but a decline in net profits to \$13.83 a share as against \$15.64 the previous year.

Northern Pacific was off 1/4 at 75 1/2.  
The Associated Press average of 60 stocks declined 80 cents, one of sharpest drops in the past three weeks, and closed at \$89.00. Volume contracted on the fall to 1,170,000 shares from Friday's 1,410,000 shares traded in a rising market.
