## Verdict Clears SP Engineer In Wreck Suit

A Marion County judgment in an auto-train collision damage suit was thrown out Wednesday by the State Supreme Court.

It was the case of John Schukart against P. C. Gerousbeck, conductor of a Southern Pacific logging train with which Schukart's auto collided on Lancaster Drive March 13, 1948.

Schukart had asked \$35,465 damages against Gerousbeck and others on the ground that the flat cars of the train were not visible at night and that the railroad had no warning signal at the crossing. He won \$2,000 damages in Circuit Judge George R. Duncan's court.

In the opinion throwing the case out, Justice Walter L. Tooe wrote: "If it be desirable that railroad companies be required to adopt extra precautions at every county railroad crossing during the rainy season, the matter should be addressed to the legislature, not to the court."

The court held the railroad was not negligent. Schukart also sued the fireman, E. E. Bentley, and the brakeman, Dale Fields, but they won in lower court.

In another decision the court confirmed a perjury conviction and a \$350 penalty for Orin M. Davis of Yamhill County for writing a three-letter word on a check. Davis added the "all" to a cancelled check he had written. He had sworn, though, that he had put the little word on the \$50 check at the time it was written.

The State Supreme court, in an opinion by Chief Justice James T. Brand, upheld Circuit Judge Arlie G. Walker of Yamhill County.

When the check was written, Davis wrote these words on it: "Rightaway for Elmer Bachmanns
