

Meet Señor Beano Fresco . . . let him lead you to the

Freshest Coffee in town!

Look for Señor Fresco at **SAFEWAY**

There is nothing quite so delightful as the freshness of freshly ground coffee. That's what you get when you buy whole bean coffee, "grind it yourself" in a Safeway Coffee Mill. And it's so easy! At the flip of a switch, the mill grinds the coffee just the way you want it. Enjoy the extra goodness of really-fresh coffee. **Save money, too!** Whole bean coffees come to you in a sturdy paper bag. No expensive container is necessary; the whole bean protects freshness.
