Hope for Steel Peace Boosts Stock Prices

NEW YORK (AP)—A belief in Wall Street that the steel dispute is headed toward a settlement spread optimism through the stock market Thursday and helped boost prices all around.

Rails and motors provided the early spark for an advance, and steels joined in later in the session to send the market ahead for the best showing in a little more than two weeks.

The Associated Press average of 60 stocks advanced 50 cents at $101.20. It was the best forward thrust since March 4 when the average was around the lowest levels of the year. At $101.20 the average stands only 90 cents under the 21-year peak attained late in January.

Business expanded to 1,240,000 shares as compared with 1,090,000 shares traded Wednesday.

FALSE TEETH
That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store.
