Angels, Stars Also Sweep Twin Bills

PORTLAND (AP)—Oakland, behind the tight pitching of Bill Ayres, Lloyd Hittle and Al Gettel, swept a Pacific Coast League doubleheader from Portland, 5-2 and 4-2 Sunday.

In the second game Jay Ragni's home run in the fourth inning was one aboard proved to be the winning run.

Oakland opened the scoring with a single run in the first inning. Portland grabbed the lead in the second. Joe Brovia doubled and Clint Conatser was safe on Johnny Bero's error. Eddie Basinski walked to load the bases. Herm Reich then hit into a double play that scored Brovia. Conatser scored from third on Jim Gladd's infield hit.

Ragni put Oakland ahead with his two-run homer and the Oaks added one more for good measure in the seventh.

Gettel Stops Threat.

Gettel, who relieved Hittle in the sixth, stopped a Portland threat when he got Jim Russell to hit into a double play.

In the first game Ayres limited Portland to four hits as he pitched Oakland to its 5-2 win.

Oakland scored first in the third when Tookie Gilbert doubled in Pete Milne and Sam Chapman.

The Beavers scored the score in the same inning when Ayres walked Don Eggert, Russell and Brovia, and Conatser singled to score Eggert and Russell.

Oakland gained another run in the fourth on a sacrifice by Bero, a sacrifice and a single by Ayres. Gilbert tripled to score Chapman—who had singled—for the fourth run.

Spider Jorgensen scored the final Oakland run. He walked, advanced on a sacrifice and a hit batter and sneaked home when Roy Heiser, who had relieved Red Lyan, woundup for a pitch.

Video Said Grid Threat

NEW HAVEN, Conn. (AP)—Robert A. Hall of Yale, chairman of the National Collegiate Athletic Association's Television Committee, said Sunday that TV represents a 10-million dollar threat to college football.

Hall, who is Yale's athletic director, said that a survey conducted by the University of Chicago's National Opinion Research Council shows "conclusively that TV has cut substantially into college football receipts."

"If the colleges do not now establish a marketing plan for the receipts of televised football, a financial premium on winning teams will be created that will kill amateur football," cautioned Hall.

He said that pay-as-you-see TV would be definite reality in two or three years.

As Hall views it, TV set-owners will pay about a dollar to see the game of the week each Saturday.
