**Jimmy Dorsey To Play at Elks Ball Saturday**

EUGENE - Dick Reed, general chairman for the 1952 Oregon Elks convention to be held here June 5-8, has signed Jimmy Dorsey and his orchestra for the grand ball Saturday night.

**Inter-Nationality Housing Works**

HERFORD, Germany (AP) - Some time ago the British and Germans set up a housing committee with one prime goal: to select houses where British and German families could be accommodated jointly.

The plan has been in operation for three months and shows no kinks. There are 59 British-German houses in Herford. More will be designated as they are needed.

The first big test came when the

British moved in a new armored division fresh from England with no chance to become acclimated. They were assigned to joint houses. No friction was reported.

**Farm Union Officer Here**

H. G. Rolph of Denver, vice president of the National Farmers Union, has arrived in Oregon to spend several months directing organization activities.

Rolph conferred with members of the state executive board and will attend as many local and county meetings as possible. He will be available to address interested groups in communities where there is no Farmers Union local.

Rolph will attend the Orchard Heights local meeting tonight at Mountain View School. There will be a no-host supper at 6:30. He will discuss the agricultural situation, and especially the efforts now being made at Washington to slash farm appropriations.

In Medieval English the word "trade" meant "path" and was similar to the word "tread."

**Shirley Pleads Guilty to Theft From Elkhorn**

Buster Allen Shirley, Riverside, Calif., pleaded guilty Thursday to the recent burglary of Elkhorn Guest Ranch, east of Mehama. Pre-sentence investigation was ordered by Marion County Circuit Court.

Shirley was arrested April 6 shortly after the resort was robbed of bedding, clothing, tools and other articles. When he attempted to avoid game wardens who tried to stop him on the Little North Fork Road east of Mehama, Shirley's car failed to negotiate a curve and went over an embankment.

**Ex-Luftwaffe Pilot Pays Off**

SANTA ANA, Calif. (AP) - Early in 1943 a German Luftwaffe captain boasted the Nazis would sweep their foes out of the skies. A captured American bomber pilot wagered the best bottle of brandy available after the war that the German was wrong.

Early this month David Farrell, of Santa Ana, the wartime pilot, collected. The loser, Capt. Waldemar Wuebke, now living in Bogota, Colombia, remembered the bet when he met a New York woman in South America. He sent \$10 back with her. She sent it to a sister in Compton, Calif., who gave it to Farrell's father in Long Beach.

Since the former captain doesn't drink, he turned the winnings over to the boys' fund of the Santa Ana Optimist Club.

**MECHANICALLY-MINDED CAT**

NEILBURG, Sask. (AP) - When the engine of his car failed, the motorist lifted the hood to investigate. Out scooted a big cat, which

had been wedged in between the fan and the pulley.
