

Dallas Wins WV League Track Title

Dragons Tally 47 for Victory

Canby's Perkett Cops Individual Honors

By AL LIGHTNER
Statesman Sports Editor

The Dallas High Dragons, rolling up 47 points in all but two of the 14 events, Thursday copped the 1952 Willamette Valley League track and field title in McCulloch Stadium. Sandy's Pioneers were second with 41 points. Canby was third with 37, Estacada fourth with 35, Silverton fifth with 23, Molalla sixth with 21 1/2 and Woodburn seventh with 5 1/2. Mt. Angel did not compete.

Two new records were established, and had it not been for a bad spill by Dallas' Hurdler Gaylen DeShon in the low barrier event, chances are a third new standard would have been notched. DeShon vaulted 11 feet for one of the new marks, replacing the old one of 10' 9" which he established last year.

The Canby relay quartet of Hanson, Wagner, Herman and Perkett rambled the event in 1:37.8, knocking out the old mark of 1:38 by Molalla's 1948 team.

DeShon also tied a record in winning the high hurdles in the time of 16 seconds. He was well out in front of the pack in the low hurdles when he hit the next to last barrier and fell. Silverton's Norm Furnue won the event in 22.2 seconds, one-tenth of a second off the existing record. DeShon was fully five yards ahead of Furnue when he fell.

Sharing individual honors with DeShon for the day was Canby's Eddie Perkett who won the 100 and 220 dashes, copped third in the broad jump and ran anchor for the record-establishing relay team. Perkett scored 14 1/2 points for high honors. DeShon finished with 10 by virtue of his two victories. Gery Gibson of Estacada with a victory in the mile and a second in the half-mile had nine points.

Coach Ken Jacobsen and his victorious Dragons took home the large trophy emblematic of the title.

More Angling Open Saturday

A second trout opening will occur Saturday, May 3, for Oregon anglers in Rogue, Umpqua, and eastern Oregon waters, but Cascade mountain lakes and reservoirs, with a few exceptions, remain closed until May 30.

Cascade waters opening Saturday are Odell, Crescent, Blue, and Suttle lakes, and Wickiup reservoir, and they are all accessible by road. The main Pringle Falls road to Wickiup reservoir is under water and anglers are advised to turn left from the main road near the east end of Pringle Falls bridge and proceed to the upper end of the reservoir.

Eight liberation trucks are now operating state-wide and 725,000 of the total 2,000,000 yearling trout raised this year have been released. Food demands for these rapidly growing fish have reached a ton a day at Oak Springs hatchery on the Deschutes River.

To achieve a better distribution of trout in the large lakes and streams the game commission's fishery division will shortly place five special trout planting boats in operation. One of these new trout planting boats was recently used to plant 26,000 yearling trout in the McKenzie River.

Tag Team Mix Next on Mat

A tag team tussle that should be a wow has been installed as the main feature of Matchmaker Elton Owen's weekly wrestling card at the Armory next Tuesday night. Both George Dusette and Leo Wallick, who produced the titanic manner of the Northwest, are in it, and on opposite sides. Which alone should provide all kinds of fireworks.

Making it even better, Dusette has Frank Stojack for his partner. The former Washington State football All-American challenged Wallick here this week after the latter had spilled Dusette with one of his punishing pile drivers.

Wallick wanted a real tough hombre for a partner, and selected Jack (The Jaw) Lipscomb who for years has been one of the top mat ruffians in the Northwest. As a special attraction Tuesday Owen is bringing in Shibu Yamauich and Masa Kimura, two of the greatest Judo wrestlers in Japan. Both hold the symbol of Japanese wrestling greatness, the "Black Belt," and will give an exhibition here just before the main event. Either one will give \$1,000 to anyone who can stand up to him in the ring for 10 minutes.

The Japanese stars were lured to the Northwest by Owen after numerous appearances in Los Angeles and San Francisco since coming from the Orient.

Hollywood Bowl Races . . . 34 Cars Roll in Opening Hard Top Meet Saturday

Thirty-four Hard Tops, denied their 1952 racing debut last Sunday in Salem because of rain, will attempt to get under way at Hollywood Bowl's speedway Saturday night, with time trials at 7:30 o'clock. The same list of cars and drivers that were scheduled for last Sunday will take part in Salem's first night auto racing program of the season.

Promoter Mike Carly of Valley Sports, victim of two rainouts in three attempts this Spring, has switched from Sunday afternoon to Saturday night racing for the balance of the season. Only one program has been run off as scheduled this season, that featuring the Stock Cars.

Saturday night's bill will offer Trophy dashes for both Class A and B cars, from four to six heat races of eight laps each, a Class B main event of 20 laps, a Class A main event of 35 laps and possibly a consolation race of 10 or more laps.

The 34 drivers scheduled to participate in the opening program are Clarence Smith, Don Nelson, Larry Gardner, Bill Hyde, Jim Bozick, Bill Canham, Bud Groll, Stan Dietz, Bill Applebee, Fred Connett, Dan Guth, Bob Gregg, Dick Braniff, John Branum, Lucky Glascock, John Ketchum, Wally Walker, Bryan Harding, Walt Pringhaunt, Bud Lane, B. Kennedy, Jerry Watts, Armond Millen, Cecil Wright, Bill South.

Capitol Loop Sets 2 Games

Capitol League baseball play today has Sacred Heart Academy opposing Salem Academy on the latter's West Salem field, and the already champion Cascade Cougars taking on Philomath at Cascade. Stayton draws the bye for this round.

Cascade has won six straight, against no losses, to clinch the 1952 title. Salem Academy is in second place with a 4-3 record and Sacred Heart is next with 3-2. Philomath has lost six in a row.

Today's Junior High League baseball game, at 4 p.m., sends the Parrish Pioneers against West Salem's Giants at Parrish. The Parrish team has won one and lost two so far, while the Giants are winless in three tries. Leslie leads the league with a 4-0 mark.
