## State Champs In Big Show

### Bend, Eugene Picked In Favored Roles

The annual Big Six League track and field meet, involving athletes from Salem, Albany, Corvallis, Bend, Eugene and Springfield, takes place this afternoon and evening in McCullough Stadium. The big show, and it lists a number of lads who won state titles at Corvallis last weekend, will be free to the public.

Preliminary events will start at 2 p.m. The final field events are to start at 2 o'clock also, but the main portion of the meet, the races themselves, won't start until 5 p.m., according to Vern Gilmore, Salem High coach who along with Willamette U's Chester Stackhouse will be in charge of the program.

**Bend State Champion**  
Bend High's Lava Bears, 1952 state champions for Class A schools, will be the team to watch in the finale. But the Eugene Axemen, who won the Big-6 last year, are back again with another strong outfit and are expected to give the Bears a real battle for the championship.

At least two dandy races are distinct possibilities, the mile and 880. Springfield's Bill Dellinger, the state mile and 880 king at Corvallis, will be up against Ron Meskinen of Eugene in the four-lap romp and against Salem's Dick Glasgow in the two lapper. Both gave Dellinger terrific battles at Corvallis.

Other state champs scheduled for action are Salem's Larry Paulus in the broad jump, Bend's Dean Benson in the high hurdles and Corvallis' Tom Blackstone in the discus. Bend Sprinter Jack Scheffold, second in the state 199-yard dash, also will be here.

### Archie Moore KO's Oaklander

SAN FRANCISCO (AP)—Ring-wise Archie Moore, 35-year-old No. 1 contender for the world's light heavyweight title, strengthened his claim Monday night when he knocked out Bob Dunlap of Oakland in the sixth round of their scheduled 10-rounder at Winterland.

Moore, of St. Louis, weighed 183, Dunlap 180.

## Hot Rods Set For Saturday Races at Bowl

The hustling hot rods are to make their 1952 debut in Salem Saturday night when Promoter Mike Carly of the Valley Sports organization installs his first roadster auto racing program of the season here. Hard tops, stocks and midgets have now raced in the big bowl this season, but Saturday night will mark the first appearance of the racing rods.

Time trials will get under way at 7:30 p.m., with three-lap trophy dash following. Then will come four heat races of eight laps each, a 15-lap Class B mainer and a 35-lap Class A finale.

The complete list of cars and drivers will be announced by Carly later in the week. It will no doubt include Len (L.P.) Abner Sutton who last season was the foremost hot rod pilot of the Salem shows.
