The Rainbow Girls father and daughter banquet was an event of Tuesday night at the Masonic Temple with 75 attending. The program included numbers by Roberta Graham, violinist, accompanied by Marilyn Lorenz; piano selections by Margarete Hildreth; and readings by Margaret Hildreth.

The Rainbow Girls have chosen as a money-raising project the selling of stationery, greeting cards and wrapping paper. The girls will charter a bus on July 13 to go to Forest Grove to visit the Eastern Star Old People's Home. On Etiquette

By ROBERTA LEE

Q. Is it proper for a girl to accept gifts from a young man to whom she is not engaged?

A. This is all right if the gifts are of an impersonal nature. Books, flowers, and countless other modest gifts are proper—but very costly or very personal gifts may be accepted only if the couple is engaged.

Q. Should hard cheese and pickles be eaten with the fingers or a fork?

A. Hard cheese is eaten with the fingers. Small whole pickles may be eaten with the fingers. Mixed pickles are usually eaten with a fork.

Q. Should the minister be given a fee for the christening of a baby?

A. It is customary, according to the means of the parents. However, this isn't absolutely required.
