

Funeral Set Saturday for M. Southwick

Funeral services will be held in the Virgil T. Golden Chapel at 3 p.m. Saturday for Milton E. Southwick, 27, who died in Ashland Wednesday of cancer of the stomach.

Southwick, who had lived in the Salem area all his life, was in the Southern Oregon city where he was taking treatment. He had undergone several operations in the last few months for the ailment both here and in the Portland's veteran's hospital.

Officiating at the services will be the Rev. George Swift. Interment will be in Belcrest Memorial Park.

Born in Salem Dec. 12, 1924, Southwick spent his youth in Polk County, graduating from Popcorn School. He was graduated from Salem High School in 1940, and after working for a short time in canneries, he went to work for the Pacific Telephone and Telegraph Co., with whom he was employed at the time of his death.

He spent over three years in the U.S. Navy, enlisting in the early part of 1942.

March 20, 1943 he was married to the former Jean Justum of Salem, who survives him. Other survivors are daughters, Susan and Cyndee at home, 3430 Neff St., father, Eugene Southwick and a sister, Mrs. Dorothy Anderson, both of Salem.

Record Crowd Opens Silver Creek Season

Largest number of campers ever to use Camp Silver Creek—152—is opening the outing season there this week, according to Salem YMCA, which operates the area. Normal capacity is about 120.

They are junior high and high school groups from the Willamette area of the Presbyterian Church. Presbyterian grade schoolers are due next week, in even larger numbers.

The YM camping program will begin Sunday, June 22, with a one-week slate for younger boys, 9-11 years. A full camp is expected, with 120 to 130 boys. The program will be much the same as in past years—recreation, nature study, crafts, etc.—with an improved hiking program through use of the new YM truck.

Frank (Scotty) Washburn, YM associate boys' work director, is camp director this summer, with a staff of some 25 persons. The schedule continues through Sept. 1.

Baskets were made in Egypt before 5,000 B.C.

Detention Plan For Juveniles Wins Backing

A detention home for juveniles in Marion County would greatly facilitate the handling of juvenile problems, the Salem Family and Child Welfare Council was told Thursday noon at the Senator Hotel by Don Miller, head counselor at MacLaren School for Boys at Woodburn.

Miller said if one county cannot afford to establish such a home, then groups of counties should join in such projects. The home would allow for child study over a detention period of several days to two weeks, so authorities could better decide on disposition of youths in trouble.

One in 20 juvenile cases from most parts of the state leads to a term at Woodburn, said Miller, but from the three centers with detention homes (Portland, Eugene, Klamath Falls) only one in 50 cases goes to Woodburn. "And we have lots of boys who just don't belong here," averred Miller.
