

C. M. Heltzel

**Salem to Have New Safeway District Chief**

PORTLAND—Changes in district managers of Safeway Stores at Salem and Medford were announced Wednesday by T. M. Medford, division retail sales manager here.

C. M. (Chet) Heltzel, district manager for 12 years and district manager for the large North Portland sector, and Harold Johnson, district manager at Medford for the Southern Oregon district, will take over at Salem.

Heltzel has been a Safeway district manager for 12 years and has been in Salem since May, 1951.

Johnson formerly was division buyer in Portland. He and Mrs. Johnson, with their two daughters, are to move to Salem within a week.

A dinner comprising a farewell to Heltzel and a welcome to Johnson is to be held at the Marion Hotel in Salem Monday night.

**Stock Market Rises Slowly**

NEW YORK (AP)—Buying favor skipped around from one major group to another Wednesday in the stock market and accounted for a moderate advance.

There never was a heavy concentration of demand at any time and there were frequent retreats from the best gains.

The Associated Press average of 60 stocks added 30 cents at \$105.10 with the industrial component up 70 cents, railroads up 20 cents, and utilities unchanged.

There were 1,083 individual issues on the market, a little better than Tuesday's 1,039, with 459 advancing and 329 declining. Forty-six highs were reached and 15 new lows for the year.

Volume expanded to 1,270,000 shares, considerably better than Tuesday's 920,000 shares, lowest in a month.

After the market closed the stock exchange reported a decrease of 91,110 shares in the short interest as of June 13, the fourth straight monthly falls. It now stands at 1,753,466 shares, lowest since Aug. 15, 1950.

Giraffes are almost entirely voiceless.
