

First Theta Rho Assembly Will Open Friday

Salem will be host to the first Theta Rho Assembly on Friday and Saturday of this week. Five hundred Rebekahs, Theta Rho Girls and advisors are expected to attend. Registration will start on Thursday afternoon at the Senator Hotel and continue through Friday. At 9:30 on Friday Mrs. R. G. Henderson, acting as mistress of ceremonies, will open the meeting at the I.O.O.F. Temple. Mayor Al Loucks will welcome the guests and Mrs. Olive Ramsey, president of the Rebekah Assembly will give the response. Mrs. Velma Hermann, chairman of the board of control for Theta Rho Clubs, will be in charge of the institution of the new Assembly. Officers for the first Assembly will be elected and then installed by the board of control.

Regular order of business will be the agenda for the afternoon and the Salem club will present the Memorial. A tour of the capitol building and Willamette University grounds will conclude the afternoon session.

At 7:30 at the Armory Friday evening several clubs will present their teams in exhibition drills and this will be open to the public. Refreshments will be served at the temple later.

Assembly will convene at nine o'clock on Saturday and will close that afternoon after the installation of the officers for 1952.

There are now 47 clubs in Oregon, Corvallis being the first to be instituted. Girls between the ages of 12 and 21 are eligible to membership. Lunch will be served each noon at the I.O.O.F. temple. There will be a small registration fee.

Past Noble Grands Feted by Lodge

SILVERTON — Tryphena Rebekah Lodge honored the past noble grands Thursday night when many out-of-town members attended. During the short business meeting, Esther McCurdy from Nebraska and Audrey Neft from Washington, were introduced and welcomed as new members by transfer.

Mrs. Lloyd Taylor gave a report on the recent state Rebekah Assembly meeting held in Salem. Mrs. Frank Geroux, Mrs. Lloyd Taylor and Mrs. Mabel Monson each spoke as delegates.

Mrs. F. E. Sylvester introduced six former past noble grands of the lodge who each received the pins for their stations. They included Mrs. Helen Allen, Mrs. Mable Lerfeld of Portland, Mrs. Edna Gilkeson of Toledo, Mrs. Florence Orthell of Longview, Mrs. Catherine Townsend of Salem and Mrs. Helen Wrightman.

Decorating the lodge rooms for the occasion were Mrs. Perron, Mrs. Sears, Mrs. Mike Hannan, Mrs. Allan Foster and Mrs. George Towe. The dining room committee included Mrs. Theodore Grace, Mrs. Oiro Thompson, Mrs. Gerald Smeadstead, Mrs. John Beals and Miss Nellie Cavender.

Announcement was made that the Triple Link Club will meet at the country home of Mrs. Stewart for a 6:30 picnic on Wednesday night, June 25. All club members and their families were invited to attend.

Midsummer Miscellany

Summer Holiday; Lightning News; Washing Hints Given to Readers

By MAXINE BUREN
 Statesman Woman's Editor

Advertisements in an eastern newspaper show that vacation resorts for parents and their children are gaining popularity. These resorts, usually on a lake or in the mountains, separate the adults from the children during the day, but children sleep with parents. Even the dining rooms are separate.

Registered nurses and trained counsellors are at hand for the children, who are offered games, movies, crafts, swimming and horseback. Papa and Mamma can go in for golf, fishing, dancing and other recreation.

HOW TO LIGHT
 A small booklet on what's new in lighting shows some interesting facts about electricity. Besides giving a complete list of globes and their sizes, it tells about fluorescent tubes and other equipment.

Strangely enough and unlike many booklets, it advises the home repairs of cords and plugs and tells how it's best done. Cellophane covers should be removed from lamp shades, the experts advise, it shrinks with heat and eventually distorts the shape of shade.

CARE IN WASHING
 Government experts say that while bleaches are useful in removing stubborn stains, the regular use of these bleaches in time rots the fabric. Even sunshine does this.

If your clothes will not come clean with washing, the methods soap or detergent may be at fault, moderate washing is the answer to many washing troubles. Very soiled clothes may need a good soaking, or washing in two changes of water.

Experts say that cottage cheese may be frozen if closely packaged in moisture-vapor proof containers though there may be some water separation on thawing. Freezing spoils the smooth texture of American cheddar, Swiss, Italian and cream cheese. Cheese is best kept in the refrigerator, closely wrapped.

A woman stopped us in the bank today and suggested a new way to freeze corn—and though it isn't time for corn yet, we pass it on for fear of forgetting. She cuts kernels from the cob, adds some "cream ten" and freezes the corn. Yummy, she says.

The Oak Knoll women golfers held a flag tounsey during the regular day's play on Wednesday with Mrs. R. L. Van Blericom the winner. On Friday, June 20, the Oak Knoll women will be guests of the Riverwood Club at McMinnville.

Darrel Picht of Des Moines, Iowa met his brother, Glen Picht, 1995 Shady Ln., for the first time in 11 years Tuesday at the Glen Picht home. The Iowan is on a business trip and will return to spend the week end with his brother's family.

Flor-Ever
 Vinyl
PLASTIC FLOOR TILES
 cut cleaning care up to 40%

Flor-Ever is today's miracle floor—Vinyl plastic. It's NON-POROUS... dirt can't grip into it, dirt slips right off. Kitchen grease, fruit acids, alkali, household cleaners can't discolor it. Flor-Ever will wear longer too. And its brilliant vinyl-bright colors are available by the tile (combined in any pattern or color combination you wish).

Even grimy grease holds no terror for Flor-Ever, amazing new floor of Vinyl Plastic that requires less cleaning and waxing than you ever dreamed possible.

Dirt can't get grip in or penetrate its Vinyl plastic! Household acids or alkalis can't stain. Harsh cleaners won't harm its brilliant colors—they're part of the Vinyl.
