Price changes spread out over a range of less than 2 points either way as a general rule with the great bulk of the list quiet narrow. The Associated Press average of 60 stocks gained 10 cents at \$105.50 with the industrial component up 40 cents, rails off 10 cents, and utilities unchanged. Volume came to 1,190,000 shares, slightly above the daily average so far this year. Thursday's total was 1,320,000 shares.
