IT'S PICNIC TIME!

Here's How to Make the Best Tuna Sandwich You've Ever Tasted!

- Use day old bread of a firm texture and slice with a very sharp knife.
- To bring out the flavor of any sandwich, cream a few drops of lemon juice with the butter.
- To prevent soaking, bring butter to room temperature, and spread a thin layer on BOTH slices instead of just one.
- For the best tasting tuna you've ever tried, use STAR-KIST TUNA—the tuna with the flavor preferred over all other national brands 3 to 1!

Tuna sandwiches are a picnic favorite, and in a sandwich, tuna flavor really comes into its own! That's why it's more important than ever to choose tuna with super flavor for your sandwiches. A recent test proved Star-Kist Tuna's flavor is preferred 3 to 1 over all other national brands tested.
