**Personal To Women With Naggng Backache**

Naggng backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. If your bladder irritations due to cold or wrong diet may cause getting up aches or frequent urination. Don't neglect your kidneys if these conditions bother you. Try Don's P-23, a mild diuretic. Used occasionally by millions for over 50 years. It's amazing how many times Don's gives happy relief from these discomforts—helps the millions of kidney-tubes and filters flush out waste. Get Don's Pills today!
