# 7-MINUT *Ready-to-Make* PIE

ONE BOX MAKES ONE BIG, BIG PIE!

ELMER BERG, general manager (at left in photo) says: "We were pleasantly surprised when Bob Lovlien of 6 O'Clock Foods, pictured to my right dropped in with samples of his company's 7-Minut Pies. The sample line formed quickly and included LaVonne Terry and Lois Schweinfurth checkers, and Brown Foulger, manager, as shown. What a treat! Stockup from our huge display just inside the door to the left—spend 7 minutes in your kitchen and you too, are in for a treat!"
