

# 90% Crop Support Bill Signed; Seen As Demos' Plank

By WILMOT HERCHER

WASHINGTON (AP)—Government support of cotton, wheat, corn, rice, tobacco and peanut prices at 90 per cent of parity through 1954 was guaranteed Friday when President Truman signed a controversial agricultural bill.

## McCloy Quits As Germany Commissioner

WASHINGTON (AP)—President Truman Friday accepted with "sincere regret" the resignation of John J. McCloy and named career diplomat Walter J. Donnelly to succeed him as United States high commissioner to Germany.

Llewellyn E. Thompson, likewise a career foreign service officer, was named to take Donnelly's place as Ambassador and high commissioner for Austria.

McCloy, former president of the International Bank, is retiring to private life after three years service climaxed by the new peace contract and other agreements which wind up the occupation and put West Germany in the Western defense camp. The changeover is expected about Aug. 1.

Truman used the agreement for a plea to Bonn to ratify the peace contract, which Congress already has approved. He said that "The Federal Republic of Germany now has the great opportunity to join the other nations of free Europe in safeguarding the peace and progress of the world."

## Qualifying Marks Count, Olympics

HELSINKI (AP)—For the first time in Olympic Games history, events will count as Olympic records if they exceed the present standards.

As in the past, however, only marks made in the final competition will determine the order of placing.

"In other words, an athlete can break an Olympic record and still not win a gold medal," head U. S. track coach Brutus Hamilton pointed out.

## BATHS AT BARBER SHOP

HANOI, Indo-China (AP)—If you want a hot-water bath in Hanoi, you go to a barber shop to get it. There's no hot water in hotels and only a few private residences have it. The minimum charge in a booth at the barber shop is 75 cents.

## Eight Oregon Cities Told to Stop Pollution

PORTLAND (AP)—The State Sanitary Authority ordered eight Oregon cities Friday to start building sewage treatment plants and to have them in operation by next July.

A ninth city, Nehalem, was given until July, 1955, to clean up its sewage problem.

Three more cities, Gresham, Enterprise and Ontario, were told they would be added to the list Oct. 17 unless they can give compelling reasons for a delay.

The eight cities told to stop pollution of streams by next July were Coquille, Lebanon, Mt. Angel, Myrtle Point, Newport, Nyssa, Toledo and Vale.

The authority voted to ask the legislature for \$102,000 for expenses in the next two years. That is an increase of \$30,000 over the present budget.

## Western Bloc Attempted at Demo Session

CHICAGO (AP)—Monroe Sweetland, a member of the Oregon delegation to the Democratic convention, told reporters Friday that the Democrats from 12 Western States and two territories were attempting to organize a bloc.

This bloc might wield powerful influence in deciding the party's platform and presidential candidate at next week's convention, observers reported.

Sweetland and L. L. Steward Jr., of Phoenix, Ariz., said the group which met Friday has scheduled another meeting Sunday which will try for an "informal coalition."

"Although we are not organizing to back any one candidate, that well could be an off-shoot of the meeting," Sweetland said.

States invited to the conferences include: Arizona, with 12 delegates, California 68, Montana 12, Nevada 10, New Mexico 12, Oregon 12, Washington 22, Wyoming 10, Utah 12, Alaska 6, Hawaii 6.

Oregon's 12 delegates are pledged to Sen. Estes Kefauver of Tennessee. Delegates from several other states are expected to back him on the first ballot, at least.

More than 100 persons, including Kottek's fellow members of the Liberty-Salem Heights fire department attended the no-host dinner. Kottek is a Statesman employee.

As they donned brassieres, the driver said to the embarrassed deputy, Arthur Willis: "Well, men drive bare chested, don't they?"

On a report to the sheriff, Willis added this note:

"By the way, I forgot to ticket them for speeding."

## DUELLING EQUIPMENT STOLEN

VANCOUVER, Canada (AP)—The city museum had a visitor who may have a grudge to settle. The caretaker reported a case had been forced open and missing were a pair of English flint-lock duelling pistols, along with a Japanese sword.
