Tanselli Hits Grand Slam in Wacky Mix; **Double Bill Tonight**

By AL LIGHTNER Statesman Sports Editor Football season arrived early at Waters Field last night, and although no actual touchdowns were scored, just about everything else did as the Senators took a wacky 12 to 11 win over the Lewiston

Broncs in 10 innings. It was the craziest ball game played here this season, and perhaps for many others in the past. The Salems at one time enjoyed an eight-run lead, scoring seven times in the second inning. But the Broncs exploded for eight runs in the sixth heat to tie the count at 11-11.

From there on it settled down to be a ball game. Then in the tenth inning Gene Tanselli led off with a sharp single to right, Boss Hugh Luby bounced a single to left and Connie Perez was safe, loading the sacks, when Snag Moore stumbled and fell in trying to field his bunt down the third base line.

Big Bill White didn't wait long to settle things. As next up he whacked Jimmy Clancy's first pitch for a long liner into deep left field, over Jake Helmuth's head, and the riproarious struggle was over.

Now Alone in Fourth

The win pushed the Salems a full game ahead of the Broncs and back into sole possession of fourth place in the WI League standings. Tonight's series-ending double-header at 6:30 o'clock will find Ray McNulty (14-12) and either Jack Hemphill (8-9) or Bud Francis (4-2) opposing Sal George (5-7) and Boss Bill Brenner (14-8)

Then on the other hand, someone might check the Lewiston dressing quarters today for it may need a bit of patching up. The Broncs clouted 19 hits and were issued eight bases on balls, but still lost. They had seven hits in the first two innings off Starter Hemphill, but only one run. It was an amazing exhibition of how to threaten futilely as the visitors failed to score on three first-inning singles and then got but one run on four more blows in the second.

Harvest Time for Blueback Fishermen

Whether you call them Harvest Trout, Blueback or just plain sea-run Cutthroat, this is the time of year to sharpen your hooks for one of the scrappiest of Oregon's game fish. The silvery sea-run fish are now entering most of the Coastal streams from the mouth of the Columbia River south to the Chetco River near the California border, and should provide anglers with many a happy moment.

The third place St. Louis Cardinals failed to take advantage of the Giants' defeat. The Red Birds remained three games behind the slipping New Yorkers by losing a 12-3 night game decision to the Reds in Cincinnati.

Big Mike Garcia, gunning for his 15th victory, blew a 5-2 lead as the Browns rallied for three runs in the seventh inning to tie the score but the Indians won out in the ninth on Shortstop Fred March two-run error.
