A group of Salem's largest freight haulers informed local merchants Wednesday that the haulers will no longer pick up or deliver freight on Saturdays.

In a notice to all shippers, made public, 11 local member firms of the Oregon Motor Freight Carriers said they are included in a statewide labor contract signed recently with the Teamster's Union. The contract provides for a 40-hour week, with overtime pay provided.

Advance planning," continues the notice, "of incoming and outgoing deliveries will help to prevent undue hardships."

The notice is signed by Consolidated Freightways, Inc., West Coast Fast Freight, Inc., Salem Navigation So., Willamette Valley Transfer Co., Salem Tillamook Auto Freight, Salem-Portland Motor Freight, Wright Truck Lir , Silver Wheel Motor Freight, Larmer Transfer & Storage, Lester DeLapp and Pierce Freight Lines, Inc.

Compare Lilt WITH THOSE NO-NEUTRALIZER WAVES! SEE HOW MUCH FASTER LILT IS!

(Two girls start at same time—3 o'clock Saturday afternoon)

A LILT WAVE

1st step She started her Lilt at 3 o'clock. It took her only about an hour to finish the entire waving lotion step—including test curls! First step finished—4:14 o'clock

2nd step She used "Naturalizer" to make her wave really permanent! Her wave is now finished . . . Now her hair is set in pin curls for her hairdo!

LILT WAVE FINISHED—and hairdo styled too—IN LESS THAN 2 HOURS! 4:52 o'clock

Ready for a glamorous evening! Pin curls dry fast (but hair wound on curlers does not). So, by 6:30, her Lilt is already brushed into a lovely hairdo! And best of all, her Lilt wave is so permanent—it will last and last!

LILT WAVES LAST up to 3 TIMES LONGER!

A NO-NEUTRALIZER WAVE

1st step She also started at 3 o'clock. Has wound curls and applied waving lotion; rinsed with water (or used towel to remove excess lotion). First step finished—4:00 o'clock

2nd step (which may be news to you) Now she must WAIT 6 HOURS, with her hair on curlers. (With No-Neutralizer products, you need slow drying on curlers.) STILL WAITING! She's worried now, because she has a date at seven! 2 HOURS GONE—3 MORE TO GO NO DATE FOR HER TONIGHT! She still has HOURS TO WAIT! 10 O'CLOCK—SECOND STEP FINISHED... 7 hours after she started! And LOOK at that kinky, frizzy hair—because it dried on the curlers! Now she has to re-wet her hair and set it in pin curls! But what she still does NOT know is—HER WAVE IS ONLY SEMI-PERMANENT! Won't last nearly as long as a Lilt.
