Crash Injuries Claim Life of

An early morning automobile accident Friday ended the life of Salem Air Force pilot Lt. George Ald-

Meyer of St. Petersburg, Fla., was reported by authorities at Salem Memorial Hospital as suffering from extreme shock and numerous lacerations. Their four months old son, Scott Alden Sundlie, suffered only minor injuries and was taken to the home of his grandparents, Mr. and Mrs. G. K. Sundlie, 1995 Saginaw St.

State police report the accident occurred when the Sundlie car, travelling south, side-swiped a northbound Coast Transport Truck at the intersection of Wiltsey Road and Highway 99E and then crashed off the highway. The car was de scribed by officers as almost com pletely demolished.
