Lt. Walker, Jet Pilot, Returns From Korea

First Lt. Lloyd F. Walker, a Korean jet pilot and camerman since last March and a World War II veteran, returned Saturday to spend a 30-day leave with his family at 2765 N. Liberty St.

Walker, who was re-called to duty with the 403rd troop earrier wing of Portland in April, 1951, has been flying an RF-80, a photo jet plane, and has 100 missions on his

Associated Press reported that Walker was greeted by two generals when he returned from his 100th flight. The two, Maj. Stephen N. Shoosmith of Great Britain and Brig. Gen. Dudley D. Hale, were on a tour of the 67th Tactical Recognaises and Wing's Base and connaissance Wing's Base, and waited for the pilot's arrival when they heard he was due.

A B-24 pilot in the South Pacific for 13 months during World War II, Walker entered the air corps Sept. 10, 1942. He was on duty until Nov. 1945, when he joined the 403rd carrier wing, a reserve organization. He has received the Korean battle star and earned the third cluster to the Air Medal he received in the last war.

Walker's wife, two sons and daughter, will join him when he goes to Moody Air Force Base in Georgia at the end of his leave.

Wheat Prices **Drop Sharply**

CHICAGO (AP)-The problem of red wheat-meaning a variety of wheat, not wheat from Russiaconfronted the grain market this week. The market didn't solve the problem. Instead, wheat slumped several cents with the December contract making a new low.

Action of wheat unsettled other grains, although their losses were not large. But lard took a very severe drubbing, both the October and November contracts sinking to new seasonal lows.

For the week wheat ended 1/8-3½ lower, corn ½ lower to % higher, oats ½-2¼ lower, rye ¾ to 2 cents lower, soybeans 1 cent lower to ¼ higher and lard 35 to 68 cents a hundred pounds lower.
