Yes, you can actually taste the fragrance of coffee in every cup of Nob Hill . . . taste it as well as smell it. Some of that elusive, heavenly aroma has been captured and made part of the flavor itself . . . an "aromatic flavor." You'll find Nob Hill at the Coffee Mill at Safeway, where the flip of a switch grinds it fresh for you. That's why the "aromatic flavor" of Nob Hill is so satisfying. You'll never know till you try it.
