

Beavers Near End of Drills for Palo Alto Clash With Cards

CORVALLIS (Special)—An answer to all those fumbles which to a great extent jammed up the works for Oregon State's Beavers in last weekend's Michigan State clash is being sought in drills this week by Coach Kip Taylor as he prepares his men for Saturday's contest with the Stanford Indians at Palo Alto.

Taylor also is working his charges on timing and deceptive ball handling as they face their first battle of the Pacific Coast Conference campaign.

Chuck Taylor's Stanfords, a club with a reputation for cashing in on the breaks, is unbeaten in three starts so far this season.

Jimmy Withrow, the sophomore quarterback who made good on eight out of 17 aerials in the MSC game, has been taking it easy in drills because of a bruised shoulder. Back and ready for action is Halfback Jack Peterson, one of the squad's better ball carriers.

Charles Kayoes Foe in Second

Reynolds Flattened, Rocky's Time Topped

CINCINNATI (P)—Ezzard Charles, former flyweight champion, knocked out Bernie Reynolds of Cliffside, N. J., Wednesday night in one minute and 40 seconds of the second round of a scheduled 12-round bout.

Charles, weighing 189, felt his opponent out carefully in the first round, sized him up, and put the finisher with a series of left and rights to the chin in the second. Reynolds weighed 187.

Charles, fighting his first bout in his home town in two years, was sharp and in top condition. He took several heavy body punches in the first round and delivered the same to his 25-year-old opponent.

Charles seems to be at the beginning of the second round, Charles, scenting a quick victory, came out with his corner punching. Reynolds tried to exchange punches, but three quick lefts to the chin, a couple of rights, and another left sent him sprawling on his back, where he was counted out.

Charles, who told reporters before the fight that he was out to stop Reynolds faster than the present world's heavyweight champion—Rocky Marciano—ripped his opponent with sharp left and rights from the beginning of the bout. He seldom missed.

"Now, I want another crack at the title," said Charles.

Post Season Tilts to Get NCAA Scrutiny

KANSAS CITY (P)—The ticklish problem of post-season competition, and alleged rules infractions by at least three member schools will be acted on by two key committees of the National Collegiate Athletic Association when it meets in Chicago Oct. 13-16.

The NCAA Executive Committee and Council will also hear reports on the association's television program, eligibility requirements, boxing rules, playing and practice sessions and amendments to its constitution.

"NCAA Executive Director Walter Byers said the hearings will be final pre-convention preparations for the NCAA's 47th annual meeting which will be held in Washington next January.

Longhorns Hope To Upset Sparts

COLLEGE STATION, Tex. (P)—Michigan State, like any football team, can be beaten and "my team will be playing to do it," Coach Ray George of Texas A&M said Wednesday. The Aggie mentor added that prospects of an A&M victory were not too bright and that one "would be a pleasant surprise." But, he commented, "my kids aren't awed too much."

Talbert, Mulloy Upset

MEXICO CITY (P)—Billy Talbert of New York and Gardner Mulloy of Miami, four-time U. S. national doubles champions, were upset Wednesday in the Pan American Tennis Tournament by Straight Clark of Los Angeles and Harold Burrows of Charlottesville, Va., 6-4, 12-10, 6-4.

ILLINOIS END HURT

CHAMPAIGN, Ill. (P)—Bus Stevens, an end, joined Illinois Coach Ray Eliot's injured list Wednesday when he twisted a knee in practice. Stevens and three other Illini probably will see little service against Washington Saturday. The others are Fullback Ken Miller, linebacker Joe Hall, and Tackle Dick Miller.

Wolves Look for Initial Victory Saturday Night

MONMOUTH (Special)—Second best in their first two games with Pacific University and Southern Oregon College, the Oregon College of Education Wolves are looking for their first football victory of the season here Saturday night when they take on the George Fox eleven in an eight o'clock game.

It will be the opening home game of the campaign for the Bill McArthur—John Chamberlain Wolf-pack.

The two OCE mentors predicted before the season started that this season would be hard to find. So far they have been right. But the Wolves will be heavily favored in the Saturday clash.

McArthur and Chamberlain are putting the young, green team through heavy practice sessions this week, pointing not only for the Saturday mix but also the one on the Saturday following when the Linfield Wildcats are to play here.

Following the Linfield game the Wolves play Portland State at Portland, Eastern Oregon at La-Grande and Oregon Tech at Monmouth, all Oregon Conference clashes.

Cards Prepare For Beavers Go

PALO ALTO, Calif. (P)—Stanford's Indians worked over the football big guns they've aimed at Oregon State with an hour and a half's bruising scrimmage Wednesday—second in a row for the team. Star of the mock game was Halfback Bill Rogers, who twice broke away for all-the-way runs.

Coach Chuck Taylor was happy the two days of heavy workouts did not produce any injuries. Thursday and Friday, he planned lighter, tapering-off drills for Saturday's game here.

'Fix' Figures May Play Pro

JERSEY CITY (P)—Three former college stars who were involved in the 1951 Madison Square Garden basketball fix scandal will play with the Jersey City entry in the American Basketball League this year, a team spokesman said Wednesday. The players are onetime Long Island star Sherman White and Kentucky's Alex Groza and Ralph Beard.

In New York, however, President John O'Brien of the league said that the signing would have to be confirmed by the loop.

Idahoans Rap Officiating

Vandal Campus Hopping Mad Over Loss to Ducks

MOSCOW, Idaho (P)—The University of Idaho, whose students are up in arms over officiating of the Oregon-Idaho football game Saturday, asked Pacific Coast Conference officials Wednesday to look at the films.

While the student newspaper demanded that the 20-14 Oregon victory be declared "no contest," the University issued this brief statement:

"We saw the moving pictures of the game here Wednesday. It is our belief that at the earliest opportunity, these films should be shown to Victor O. Schmidt, conference commissioner, and Frank McCormick, supervisor of officials."

Both are due here later this month on other business, Schmidt on Oct. 22 and 23, McCormick on Oct. 17 and 18. Under conference rules, the pictures can't be shown publicly until they view them.

The statement Wednesday was issued by T. S. Kerr, Idaho's faculty representative to the PCC, who noted that conference rules prohibit officials of member schools from commenting on athletic officiating.

Oregon was behind 14-7 and outplayed nearly all the way in the homecoming day game here Saturday, but scored twice in the closing minutes to win.

A pass interference penalty good for 30 yards helped set up one score. Oregon got the ball again after the touchdown with an on-side kick, then won the game a play later on a 60-yard run.

Ray Cook, the student body president, demanded in a two-column front page editorial in the school paper that the game be called "no contest."

The crowd of 11,500 roundly booed the five officials during the game, and many fans milled around them as they left the field.

Three of the officials are from Spokane, umpire Don Miller, head linesman Bill Frazier and back judge Frank Carroll. John Kennedy of Seattle was the referee, W. H. Tomcheck the field judge. Miller said only Kennedy is permitted to comment.

Kerr told a "Vandal boosters club" meeting Tuesday night that "we can't change the score of the game, but we may be able to prevent such occurrences in the future." J. E. Buchanan, the university president, spoke at the same meeting and said, "We're not just sitting on our hands—we're doing all we can."

Tulsa Attack Nation's Best

Leaders Average 483 Yards; Arizona 2nd

NEW YORK (P)—Tulsa's Golden Hurricane football team, which blasted out an all-time collegiate record for mileage two seasons ago, is on the prowl again and tops all clubs in the nation in total offense.

In two games, Tulsa has rolled up 966 yards for an average of 483. The Hurricane gallopers are just ahead of Arizona, with a 481.7 average in three contests.

Tulsa is tops in rushing offense, with an average of 358 yards per game, compared with California's 337 average for three contests, figures of the NCAA Service Bureau showed Wednesday.

In forward passing, Fordham is No. 1 with 265 yards in its single game with Holy Cross. Washington is third with a 200-yard average.

London Offer To Matthews

SEATTLE (P)—Harry (Kid) Matthews, whom Rocky Marciano hurled into a title fight with Joe Walcott, may trek to London next month for a bout with one of three possible opponents.

Matthews' manager, Jack Hurley said Tuesday his veteran heavyweight had been offered a Nov. 18 headline bout in the British capital and "will accept if the terms are right."

Matthews probably would have
