DETROIT—The annual Detroit high school carnival is scheduled for Friday night, October 17 in the high school gymnasium, with several new features added to the usual variety of entertainment.

A carnival queen will be selected from nine candidates nominated by the high school students.

Included in plans for the gala evening are a large food booth serving a variety of refreshments, a good selection of movies, valuable prizes and numerous contest games.

Three concessions are allotted to the grade school, including the cake walk, candy sale and fish pond. Items for these are solicited from the parents.

Money raised at the carnival is allocated to various school activities, including the high school annual, the semi-weekly newspaper and the athletic fund. The grade school winnings are derived from the three concessions it sponsors.

Committees for the carnival include Eva New, in charge of the carnival rally, Don Ketchum, supervisor of the floor plan, Donald Snyder, publicity chairman, with Marlene Sheppard, Gerald Vickers, Alice Fryer, and Raymond Wallace assisting. Mr. Kettleson is carnival supervisor.
