

A SISTER HOLDS COURT—Sister Mary Terence isn't handicapped by her religious costume during basketball practice session at St. Michael's Children's Home in Hope-well, N. J., where she is basketball and baseball coach.

DOGGY COLLAR, EH?—A white wing collar with black bow tie was one of the items a Paris dog show named "An Chien Elegance" displayed in its "winter collection" of apparel and chic accessories the well-dressed dog should have.

CAMPUS FAD—Herman Hill, Ohio State University student, imitates a midjet atom explosion as he splits fire—current fad at the Columbus, O., school. Fire splitters light match, holding lighter fluid in mouth, then spit lighter fluid at match.

\$200 CHRISTMAS STOCKING—Salem's Katherine Elkins, left, shows Charlotte Elkins a Christmas stocking priced at \$200 in a New York store. Handmade stocking is trimmed with felt, sequins, beads, pearls, rhinestones, jewels.

IT'S HERE, IT'S BIG, IT'S FREE!
