Grains Retreat Under Selling

CHICAGO (AP)—Grains retreated for quite substantial losses in a thoroughly weak market on the board of trade Thursday, ending at about the day's lowest quotations.

The opening was steady enough, except in oats, but no progress could be made on the upside.

Soon the selling in oats grew more insistent and it spread to other pits when oats gave up ground without much resistance.

Wheat closed 1⅝ to 2 cents lower, corn 1 to 1⅞ lower, oats 1 to 2 cents lower, rye 2⅛-3½ lower, soybeans 1 to 3¼ lower, and lard 8 to 15 cents a hundred pounds lower.

Brokers had some difficulty in explaining the drop, particularly in view of the absence of any important change in the grain news.

Some simply called it a "liquidating market"—selling by longs who had grown tired of maintaining their positions.

Business

KANKAKEE, Ill — Gould-National Batteries, Inc., manufacturer of automotive and industrial storage batteries, Thursday marked completion of its new $3,000,000 plant here with a series of inspection tours for local businessmen, government officials, and civic and community leaders.

Containing approximately 200,000 square feet of floor space, the plant will build military batteries as well as batteries for civilian industrial users. About 300 persons will be employed when it gets into normal production sometime next year. The plant will be the largest single-unit producer of industrial type batteries west of the Atlantic seaboard as far as company officials know.

Located on a 30-acre site, the new structure brings to 21 the number of plants operated by Gould-National in the United States and Canada. One is in Salem, Ore.

Stock Market Action Mixed

NEW YORK (AP)—The stock market went through a mild reaction phase Thursday after a strong three-day advance.

Overall, the picture was spotty because of late strength in the railroads and elsewhere.

At the close the list was pretty thoroughly mixed with a downside leaning evident in just about all major divisions.

The Associated Press average of 60 stocks lost 20 cents at $109.80 with the industrials average down 30 cents, the railroads up 10 cents, and the utilities down 20 cents.

Volume contracted to 1,740,000 shares.
